look at porn at least once a month and over half of all marriages end in divorce To understand why that is we have to look beyond the battle to the root of both the problem and the solution Most books for men on how to defeat lust and improve their relationships with the women in their lives preach a plan for trying harder thinking better and battering their behavior into submission The problem with this approach no matter how strong we are today the battle continues tomorrow and nothing ever seems to change in the long run In Beyond the Battle author and pastor Noah Filippiak shows you why symptom based behavior management approaches offer short term solutions Instead he unpacks the keys to a gospel centered long term victory helping you win the war against temptation and entitlement Beyond the Battle is an accessible effective man to man resource for individual or small group use that will guide you toward freedom from sexual temptations by connecting you more deeply to Jesus to his sacrifice and sufficiency Filippiak addresses deep questions of marriage singleness and sexual temptation like What s really the worst enemy in a man s marriage How are my assumptions about my wife contributing to the problem How does a corrected understanding of God s grace change my outlook on marriage or singleness This book turns typical purity strategies on their head by addressing head on our sense of self entitlement and our self seeking tendencies showing how to look to God instead of to women for intimacy approval acceptance and validation Includes free access to 7 week small group video curriculum plus an option 40 day devotional     **Love Busters** Willard F. Harley, 2008-05 This fifteenth anniversary edition helps couples identify and overcome the most common habits that destroy the feeling of love
