Film & Video Review Index ,1979 Letter to the Soviet Leaders Aleksandr Isaevich Solzhenitsyn,1974 In 1973 near the height of the Sino Soviet conflict Solzhenitsyn sent a Letter to the Soviet Leaders to a limited number of upper echelon Soviet officials This work which was published for the general public in the Western world a year after it was sent to its intended audience beseeched the Soviet Union's authorities to Give them their ideology Let the Chinese leaders glory in it for a while And for that matter let them shoulder the whole sackful of unfulfillable international obligations let them grunt and heave and instruct humanity and foot all the bills for their absurd economics a million a day just to Cuba and let them support terrorists and guerrillas in the Southern Hemisphere too if they like The main source of the savage feuding between us will then melt away a great many points of today's contention and conflict all over the world will also melt away and a military clash will become a much remoter possibility and perhaps won't take place at all author's emphasis Wikipedia
