Some Beginnings Gerald Shaw,1975 **Cecil Rhodes and the Cape Afrikaners** M. Tamarkin,2020-04-03 This study of the relationship between Cecil Rhodes and the Cape Afrikaners fills many gaps in his political biography Previous biographers have rarely consulted the abundant Cape Afrikaner sources that this book refers to and which contribute to a better understanding of Rhodes political career Rhodes who appeared on the political scene of the Cape Colony in the 1880s played an important role in the shaping of the political outlook of the Cape Afrikaners during the last two decades of the century [Africa, Empire and Fleet Street](#) Jonathan Derrick,2018-03-15 A nuanced biography of a complex man one who ran a colonial magazine but was appreciated by Africans as someone who genuinely understood them **International African Bibliography** ,1976 **The British National Bibliography** Arthur James Wells,1992 [Bibliographic Index](#) ,1977 [Arts & Humanities Citation Index](#) ,1995 **The Dictionary of National Biography: From the beginnings to 1900** ,1953 **The University of the Cape of Good Hope and the University of South Africa, 1873-1946** Maurice Boucher,1974 **Prophetic Identities** Tolly Bradford,2012-04-25 The spread of Christianity is often told as a story of conquest of powerful European missionaries waging a cultural assault on hapless indigenous victims Yet the presence of indigenous men among missionary ranks in the nineteenth century complicates these narratives What compelled these individuals to embrace Christianity How did they reconcile being both Christian and indigenous in an age of empire Tolly Bradford finds answers to these questions in the lives and legacies of Henry Budd a Cree missionary from western Canada and Tiyo Soga a Xhosa missionary from southern Africa Inspired by both faith and family these men found in Christianity a way to construct a modern conception of indigeneity one informed by their ties to Britain and rooted in land and language rather than religion and lifestyle Prophetic Identities portrays indigenous missionaries not as victims of colonialism but rather as people who made conscious difficult choices about their spirituality identity and relationship with the British colonial world [The Dictionary of National Biography: From the beginnings to 1900, being an epitome of the main work and its supplement](#) ,1961 **Argief-Jaarboek vir Suid-Afrikaanse Geskiedenis** ,1974 **Argiefjaarboek vir Suid-Afrikaanse geskiedenis** ,1972 **The Academy** ,1878 *The Canadian Encyclopedia* James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry

is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
