A Parent's Guide to Raising Grieving Children Phyllis R. Silverman, Madelyn Kelly, 2009-04-02 When children lose someone they love they lose part of their very identity Life as they knew it will never be quite the same The world that once felt dependable and safe may suddenly seem a frightening uncertain place where nobody understands what they re feeling In this deeply sympathetic book Phyllis R Silverman and Madelyn Kelly offer wise guidance on virtually every aspect of childhood loss from living with someone who s dying to preparing the funeral from explaining death to a two year old to managing the moods of a grieving teenager from dealing with people who don t understand to learning how and where to get help from friends therapists and bereavement groups from developing a new sense of self to continuing a relationship with the person who died Throughout the authors advocate an open honest approach suggesting that our instinctive desire to protect children from the reality of death may be more harmful than helpful Children want you to acknowledge what is happening to help them understand it the authors suggest In this way they learn to trust their own ability to make sense out of what they see Drawing on groundbreaking research into what bereaved children are really experiencing and quoting real conversations with parents and children who have walked that road the book allows readers to see what others have learned from mourning and surviving the death of a loved one In a culture where grief is so often invisible and misunderstood the wisdom derived from such first hand experience is invaluable Filled with compassion and common sense A Parent s Guide to Raising Grieving Children Rebuilding Your Family after the Loss of a Loved One offers readers a wealth of solace and sound advice and even where one might least expect it a measure of hope The Complete Works of G. A. Henty G. A.

Relentless Karen Lynch,2013-12-26 Now optioned for TV Sara Grey s world shattered ten years ago when her father was brutally murdered Now at seventeen she is still haunted by memories of that day and driven by the need to understand why it happened She lives a life full of secrets and her family and friends have no idea of the supernatural world she is immersed in or of Sara s own very powerful gift In her quest for answers about her father s death Sara takes risks that expose her and her friends to danger and puts herself into the sights of a sadistic vampire On the same fateful night she meets Nikolas a warrior who turns Sara s world upside down and is determined to protect her even if it s the last thing she wants Sara s life starts to spin out of control as she is hunted by an obsessed vampire learns that her friends have secrets of their own and reels from the truth about her own ancestry Sara has always been fiercely independent but in order to survive now she must open herself to others to reveal her deepest secrets And she must learn to trust the one person capable of breaking down the walls around her The Edinburgh Review ,1866

The Big Book of Cyberpunk Jared Shurin,2023-09-26 A genre defining and redefining collection of the boldest most rebellious and most prescient speculative fiction featuring stories from all over the globe The sky above the port was the color of television tuned to a dead channel Almost forty years ago William Gibson wrote the line that began Neuromancer and a movement that would change the face of science fiction Award winning anthologist Jared Shurin brings together over a hundred stories from more than twenty five countries that both establish and subvert the classic cyberpunk tropes and aesthetic from gritty near future noir to pulse pounding action Urban rebels undermine monolithic corporate overlords Daring heists are conducted through back alleys and the darkest parts of the online world There s dangerous new technology cybernetic enhancements scheming AI corporate mercenaries improbable weapons and roguish hackers These tales examine the near now extrapolating the most provocative

trends into fascinating and plausible futures We live in an increasingly cyberpunk world packed with complex technologies and globalized social trends A world so bizarre that even futurists couldn't explain it though many authors in this book have come closer than most As both an introduction to the genre and the perfect compendium for the lifelong fan *The Big Book of Cyberpunk* offers a hundred ways to understand where we are and where we're going *The Knickerbacker*, 1857

Hardin Farm Jean Kipfer, 2017-03-28 *Hardin Farm* by Jean Kipfer In 1921 *Hardin Farm* is a prosperous but unhappy place Paul and Anna Hardin are uniquely attached as only those siblings can be who are raised without their mothers Sam Hardin's three wives are buried side by side in the cemetery by the lake and he sees no reason to find another Anna keeps the house clean and is a good cook and since she's gotten older he's thought of even more things she can do for him Strangely Sam Hardin disappears never to be found and Anna falls into a strange sleep from which she cannot be awoken The Church folk put Anna in the care of two doctors in Chicago practitioners of the new science of psychiatry But Paul is left to wallow in the mystery of their father's disappearance until many years later when the two siblings meet again on *Hardin Farm* *Never Alone* Hertha Will, 2011-08-30 In a warm and vivid style the author describes life with her identical twin from early childhood to young adulthood The setting is Bavaria in the mid 1930s to the 1950s The twins' closeness helps them cope with the adversities of war and the untimely death of their father They share the same experiences and emotions and they enjoy the same activities They view their togetherness as the key to happiness and promise each other never to get separated never to get married As teenagers they fend off a persistent suitor that pursues one of them while threatening the other But then in their early twenties the twins fall in love with the men of their dreams men totally different in their backgrounds education and personalities One is a German physicist the other an Arabian businessman Yet in spite of living and raising their families in two different continents the twins maintain their close relationship *The Thinking Machine* Charles Judson Herrick, 1929 This is a book about the natural history of human nature It is not a book about philosophy for philosophers It is a plain and straightforward statement for ordinary people of what another very ordinary sort of man who has considerable experience with the mechanisms of human life and how they work thinks about it all We all want to understand human nature better because it is our nature The better we understand it the more likely we are to get along with ourselves our neighbors and our surroundings in general We want to make life more worthwhile to get as much out of it as we can and to put as much into it as we can to make a better living and to have as much fun doing it as possible We need to know how we live what the apparatus of life is and how it works in order to make a better job of it Preface *Hearings* United States Congress House, 1946 *The House of a Hundred Whispers* Graham Masterton, 2020-10-01 A standalone horror that will chill you to the bone this Halloween from master of the genre Graham Masterton God it's good STEPHEN KING All Hallows Hall a rambling Tudor mansion on the edge of the bleak and misty Dartmoor is not a place many would choose to live Yet the former Governor of Dartmoor Prison did just that Now he's dead and his children long estranged are set to inherit his estate But

when the dead man's family come to stay the atmosphere of the moors seems to drift into every room Floorboards creak secret passageways echo and wind whistles in the house's famous priest hole And then on the same morning the family decide to leave All Hallows Hall and never come back their young son Timmy disappears from inside the house Does evil linger in the walls Or is evil only ever found inside the minds of men Praise for Graham Masterton A true master of horror James Herbert One of the most original and frightening storytellers of our time Peter James A natural storyteller with a unique gift for turning the mundane into the terrifyingly real New York Journal of Books This is a first class thriller with some juicy horror touches Mystery readers who don't know the Maguire novels should change that right now Booklist One of Britain's finest horror writers Daily Mail
