Some Madstones Of The Virginias:

Some Madstones of the Virginias John L. Heatwole, 1997-10-01 **Folk Medicine in Southern Appalachia** Anthony Cavender, 2014-07-25 In the first comprehensive exploration of the history and practice of folk medicine in the Appalachian region Anthony Cavender melds folklore medical anthropology and Appalachian history and draws extensively on oral histories and archival sources from the nineteenth century to the present He provides a complete tour of ailments and folk treatments organized by body systems as well as information on medicinal plants patent medicines and magico religious beliefs and practices He investigates folk healers and their methods profiling three living practitioners an herbalist a faith healer and a Native American healer The book also includes an appendix of botanicals and a glossary of folk medical terms Demonstrating the ongoing interplay between mainstream scientific medicine and folk medicine Cavender challenges the conventional view of southern Appalachia as an exceptional region isolated from outside contact His thorough and accessible study reveals how Appalachian folk medicine encompasses such diverse and important influences as European and Native American culture and America's changing medical and health care environment In doing so he offers a compelling representation of the cultural history of the region as seen through its health practices **The World They Made Together** Mechal Sobel, 2021-06-08 In the recent past enormous creative energy has gone into the study of American slavery with major explorations of the extent to which African culture affected the culture of black Americans and with an almost totally new assessment of slave culture as Afro American Accompanying this new awareness of the African values brought into America however is an automatic assumption that white traditions influenced black ones In this view although the institution of slavery is seen as important blacks are not generally treated as actors nor is their divergent culture seen as having had a wide ranging effect on whites Historians working in this area generally assume two social systems in America one black and one white and cultural divergence between slaves and masters It is the thesis of this book that blacks Africans and Afro Americans deeply influenced white's perceptions values and identity and that although two world views existed there was a deep symbiotic relatedness that must be explored if we are to understand either or both of them This exploration raises many questions and suggests many possibilities and probabilities but it also establishes how thoroughly whites and blacks intermixed within the system of slavery and how extensive was the resulting cultural interaction Mad Dogs and Other New Yorkers Jessica Wang, 2019-10-15 How rabid dogs the struggles to contain them and their power over the public imagination intersected with New York City's rise to urban preeminence Rabies enjoys a fearsome and lurid reputation Throughout the decades of spiraling growth that defined New York City from the 1840s to the 1910s the bone chilling cry of Mad dog possessed the power to upend the ordinary routines and rhythms of urban life In Mad Dogs and Other New Yorkers Jessica Wang examines the history of this rare but dreaded affliction during a time of rapid urbanization Focusing on a transformative era in medicine politics and urban society Wang uses rabies to survey urban social geography the place of

domesticated animals in the nineteenth century city and the world of American medicine Rabies she demonstrates provides an ideal vehicle for exploring physicians ideas about therapeutics disease pathology and the body as well as the global flows of knowledge and therapeutics Beyond the medical realm the disease also illuminates the cultural fears and political contestations that evolved in lockstep with New York City s burgeoning cityscape Mad Dogs and Other New Yorkers offers lay readers and specialists alike the opportunity to contemplate a tumultuous domain of people animals and disease against a backdrop of urban growth medical advancement and social upheaval The result is a probing history of medicine that details the social world of New York physicians their ideas about a rare and perplexing disorder and the struggles of an ever changing ever challenging urban society

Virginia Health Bulletin Virginia. Department of Health,1924 Virginia Wildlife ,1998 **Virginia Medical Monthly** ,1885 **History of Rabies in the Americas: From the Pre-Columbian to the Present, Volume I** Charles E. Rupprecht,2023-04-24 Rabies is one of the oldest known pathogens is incurable and has the highest fatality rate of all infectious diseases The Americas is the only region with bat rabies virus including vampire bat rabies The region is rich in cultural references and notable for many discoveries in the field including the current vaccine potency test diagnostic assay conception of oral vaccines for wildlife the first human survivor and the first successful canine rabies program executed at a broad level Rabies remains the most important viral zoonosis with tens of thousands of human fatalities and tens of millions of exposures annually which can be used to model for other pathogens such as COVID 19 There is an international effort to eliminate human rabies caused by dogs over the next decade and the Americas represent the primary region with the greatest proof of concept evidence to accomplish this goal This two volume set addresses the medical history and modern results of rabies in countries throughout the Americas including the implications of and on cultural economic sociological and research developments in the region Volume I presents an overview of concepts critical to the study of rabies in the region including evolutionary aspects reservoir ecology and control elimination efforts vaccine development and disease hallmarks and progression It also analyzes the long term cultural social and economic impacts of the disease in the Americas The Bearer of Crazy and Venomous Fangs Vincent DiMarco,2014-03-10 For centuries prior to the development of an effective vaccination against rabies the bite of a mad dog was linked to a horrific ailment marked by convulsions an utter dread of swallowing liquids uncontrollable thrashing and even the tendency to bark and attempt to bite others a horrid prelude to an agonizing death Drawing on learned theories of medical practitioners and beliefs of the common people The Bearer of Crazy and Venomous Fangs investigates the cultural mythology of the ailment known today as rabies By exploring the cultural history of science traditional belief and folk medicine it reveals the popular myths and learned delusions that came to define the disease Among the arresting topics explored are the attribution of rabies to a worm beneath the tongue the notion that the disease could arise spontaneously the idea that it could be cured by the application to the wound of special stones or animal parts and if all else failed the treatment of it by the suffocation of the human victim

Rich in detail and brimming with historical intrigue *The Bearer of Crazy and Venomous Fangs* engages students of medicine and the history of science veterinary studies folklore psychology and anyone interested in how mankind's best friend could be thought of as its cruelest fiercest enemy Tidewater Tales William Care Garnett, 1927 **Medical Brief**, 1882 The Educational Journal of Virginia Charles Henry Winston, Thomas Randolph Price, D. Lee Powell, John Meredith Strother, H. H. Harris, John P. McGuire, Rodes Massie, William Fayette Fox, Harry Fishburne Estill (F.), Richard Ratcliffe Farr, John Lee Buchanan, George R. Pace, 1874 The Medical Brief, 1895 The Medical World, 1913 **Pioneer America**, 1979 Monthly Bulletin Indiana State Board of Health, 1912 **American Folk Medicine** Wayland D. Hand, 2023-04-28 The UCLA Conference on American Folk Medicine held from December 13-15, 1973 marked a pioneering interdisciplinary exploration of folk medical practices across the Americas Sponsored by the UCLA Center for the Study of Comparative Folklore and Mythology in collaboration with UCLA's Medical History Division and the Society for the History of Medical Science the conference brought together 25 scholars from diverse fields These experts shared insights into the historical cultural and magical aspects of folk medicine Although Professors John Q. Anderson and Bruce Jackson could not attend in person their papers were included in the proceedings Professor Thelma G. James an expert on ethnic folklore was scheduled to present on *The Influence of Magic in Folk Medicine* but was unfortunately unable to participate due to illness The closing session Summary and Prospect was skillfully chaired by Professor Thomas R. Forbes of Yale University while Dr. Charles H. Talbot from the Wellcome Institute delivered a keynote banquet address titled *Classical Survivals in Folk Medicine* setting the stage for discussions on the historical underpinnings of folk medical practices The conference organized by Wayland D. Hand Robert G. Frank Jr. Michael O. Jones and Donald J. Ward was structured to encourage rich cross-disciplinary dialogue Sessions spanned topics from the history of medical practices in diverse ethnic communities to the persistence of traditional healing methods With support from various contributors including Dean Sherman Mellinkoff and Martha Gnudi the conference took place in part within UCLA's Bio Medical Library enhancing the academic exchange with access to extensive medical and historical resources Funded by the National Institutes of Health this conference underscored the UCLA Center's commitment to advancing the study of folklore and traditional medicine The event and subsequent publication of its proceedings aimed to deepen understanding of how folk medicine embodies cultural heritage and influences medical practices The collaboration between folklore and medical history scholars highlighted the potential for further interdisciplinary research in the field of folk medicine across American communities This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer-reviewed scholarship accessible once again using print-on-demand technology This title was originally published in 1980

Fredericksburg, Virginia Ted Kamieniak, 2008-03-15 Ted Kamieniak collected these fifteen superb articles to amaze

and fascinate all who feel history is simply a well worn path Each selection delivers fresh perspective and intriguing events connected to Fredericksburg and Spotsylvania County Virginia Fastidiously investigated and painstakingly written this eclectic compilation presents little visited neighborhoods of historical inquiry Meet Fredericksburgs first cop on the beat discover the persistence of hoodoo and conjuration in black plantation society delve into the account of State Senator Benjamin Pitts and Fredericksburgs first drive in movie theaterand so much more Whether your interests lie in social history vernacular architecture historic technology or folkways you will find this book an entertaining and profitable read

Folklore Institute Monograph Series Indiana University, Bloomington. Folklore Institute,1975 *Old Virginia Days and Ways* Sally McCarty Pleasants,1916

Some Madstones Of The Virginias Introduction

In the digital age, access to information has become easier than ever before. The ability to download Some Madstones Of The Virginias has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Some Madstones Of The Virginias has opened up a world of possibilities. Downloading Some Madstones Of The Virginias provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Some Madstones Of The Virginias has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Some Madstones Of The Virginias. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Some Madstones Of The Virginias. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Some Madstones Of The Virginias, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Some Madstones Of The Virginias has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
