Some Said It Thundered A Personal Encounter With The Kansas City Prophets:

Some Said it Thundered David Pytches, Jamie Buckingham, 1991 **The New Apostolic Reformation** John Weaver, 2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation's influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation's organization how the movement spread and its national and international objectives **Your Sons and Daughters Shall Prophesy** Ernest B. Gentile, 1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today's churches and individual Christians [Book 9 Prophets HC](#) Kurt Jurgensmeier, 2012-08-22 Is God still giving revelation today That question is at the heart of the claims of the largest theological movement of Christianity since the Reformation charismaticism And the foundation of their position is that the gift of prophecy is still operating today This book is a detailed study of the gift and it defends the following Modern claims to prophecy are one of the most widespread and dangerous frauds in Christianity Real biblical Prophets spoke divinely authoritative revelation and always predicted the future with perfect accuracy in order to authenticate themselves Modern so called prophets either make mistaken predictions or claim they don't even need to try There was no difference between the authority and purpose of OT Jewish Prophets like Jeremiah and NT Christian Prophets like Agabus The Church universally testified that the gift of prophecy ceased by the third century God really hates modern false claims to be speaking for Him [The Challenges of the Pentecostal, Charismatic and Messianic Jewish Movements](#) Peter Hocken, 2016-04-01 This book explores the Pentecostal and charismatic movements tracing their development and their variety Hocken shows how these movements of the Holy Spirit both outside the mainline churches and as renewal currents within the churches can be understood as mutually challenging and as complementary The similarities and the differences are significant The Messianic Jewish movement possesses elements of both the new and the old Addressing the issues of modernity and globalization this book explores major phenomena in contemporary Christianity including the relationship between the new churches and entrepreneurial capitalism **Transatlantic Charismatic Renewal, c.1950-2000** , 2021-07-05 In Transatlantic Charismatic Renewal c 1950 2000 Andrew Atherstone Mark Hutchinson and John Maiden bring together leading researchers to examine one of the globally most important religious movements of the twentieth century Various referred to as the charismatic renewal or revival it was a key Christian response to globalization modernity and secularization Unlike other accounts which focus either on denominational pentecostalism or charismatic phenomena outside the West this volume describes transatlantic Christianity drawing deeply on its pneumatic roots to bring about renewal New research in archives and overlooked journals illuminate key figures from David du Plessis to John Wimber providing insights

which challenge the standard interpretations of the charismatic movement's origins and influence **Sacred Games**

Bernhard Lang,1997-01-01 Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory

Experience Tania M. Harris,2023-09-25 The revelatory experience or in common parlance hearing God's voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament Drawing on the tools of practical theology this book presents the findings of a unique and ground breaking study among Australian Pentecostals With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose **Miracles : 2 Volumes** Craig S. Keener,2011-11-01 Christianity Today 2013 Book Award

Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports The Power of Humility R.T. Kendall,2011-05-03 The

Power and Freedom of a Humble Life Pride is often the true reason why we get our feelings hurt why we feel rejection why we won't admit to mistakes why we want to be seen with certain people and why we stay angry Jesus gives us the perfect example of a powerful life lived without conceit smugness or arrogance So why do we not want to admit to our pride It is because of our pride In The Power of Humility R T Kendall challenges us to look deeply into our hearts and motives to recognize the pride and self righteousness there Using personal stories and enlightening examples from the Bible he demonstrates how pride interferes with a close relationship with God and reveals how to overcome pride and become more like Jesus **What Has Wittenberg to Do with Azusa?** David J. Courey,2015-02-26 Global Pentecostalism is a twenty first

century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther's Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world

This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism COVENANT
