Marsh, 1994 Solutions Galore Dale Stubbart, Most of us see the world as a mess of Problems There's Global Warming or

more politically correct Global Climate Change or more technically correct Comprehensive Climate Chaos And besides that last one is alliterative each word starts with the same letter There s overpopulation There s increasing homelessness houselessness and poverty There s disparity job loss and permanent unemployment The ocean s becoming a garbage dump the Great Barrier Reef is dying and the seas are overfished There are wars The political parties are at each other s throats And there are too many guns in the hands of dangerous criminals I could keep going However you are probably already suffering from mild depression having just read the above And I m now a basket case Yes the world is full of Problems Notwithstanding the world is also full of Solutions It s hard to find Solutions in the news The media focuses on Problems For some reason they think that will drive readership viewership up So you really have to search for any good news And Solutions are even harder to spot In spite of that good things are happening in the world Enough Electric Vehicles are being sold in the US that in 2019 incentives for buying a Tesla started to be phased out Renewable Energy is on the rise Even though the world population continues to rise several countries are seeing population decline Miracles are being discovered to help restore the Great Barrier Reef and to extract plastic from the ocean Solutions are even being unearthed which can prevent Comprehensive Climate Chaos Feeling a little better Great It s daybreak It s time for us to start seeing a world of Solutions Galore It s time to jump onto the Solutions Bandwagon For every Problem there are a myriad of Solutions Quite often you only need to discover one The purpose of Solutions Galore is to present methods to Solve Problems There are Solutions in this book mostly by way of example But that is not the main purpose of this book The purpose is to help you more easily Create Solutions to any Problem
