The ^ASpiritual-Industrial Complex Jonathan P. Herzog,2011-08-05 This fascinating volume argues that American leaders in the early Cold War considered the conflict to be profoundly religious that they saw Communism not as godless but as a religion fighting faith with faith As a result they deliberately used religious beliefs and institutions as part of the plan to defeat the Soviet enemy Jonathan Herzog offers an illuminating account of the spiritual industrial complex chronicling the rhetoric programs and policies that became its hallmarks

The Quest for Belonging Jeremy Beer,2024-07-16 Discover the deepest reasons people give to nonprofits and how fundraisers can tap into donors most potent motivations In *The Quest for Belonging* How the Most Effective Nonprofit Leaders Understand the Psychology of Giving Jeremy Beer draws from the latest social science to explain the primacy of identity the need to know and affirm who we are and belonging the need to belong to something bigger than ourselves as motivations for giving Beer argues that the better a nonprofit organization can speak to donors needs to construct and maintain an identity and to belong to something larger than themselves the more successful the nonprofit will be in attracting supporters to its mission He explains how nonprofit executives and fundraisers can effectively engage a donor s identity and provide a sense of belonging in three powerful ways by telling stories by building genuine relationships and by giving donors positive experiences with the organization and with one another *The Quest for Belonging* is packed with trenchant useful and sometimes surprising observations gleaned from Beer s interviews with highly successful fundraisers scholars writers and nonprofit leaders This book is a trove of practical

advice as well as a paradigm shifting work on the psychology of giving and the art and craft of fundraising
