**Some Enchanted Egos** Donald Zec,1972      **Some Enchanted Season** Marilyn Pappano,2012-05-02 Sometimes miracles do happen When Maggie left her husband Ross that fateful Christmas Eve their marriage was over But a near fatal accident on an ice slick road changed everything Now another Christmas approaches While Maggie hasn't regained all her memory she's ready to test her strength at home with Ross as her only companion Sharing a house with him once more putting on the best face for their neighbors Maggie knows she's living a lie Then she glimpses Ross as he used to be playful and passionate the man of her dreams before ambition changed him She couldn't know he's feeling the same regrets the same heartache or that he fears the return of her memory What will happen when she remembers the reason she fled from him last year It will take a miracle to send the walls of anger and secrecy tumbling down and reunite the divided couple But in the small town of Bethlehem miracles do happen      Ego and Soul John Carroll,2010-03-02 The crisis of meaning is the

issue of our time The old beliefs that guided the West have faded without credible replacement Who lives well What characterizes the good life More particularly what may we in the modern West claim about ourselves And ultimately does how we live and what we do make any sense Concerned for today's society and its problems as they relate to meaning faith belief morale moral attachment and social direction John Carroll surveys these questions in *Ego and Soul* He examines how people in their ordinary and everyday lives grope unconsciously for direction casting lines into the transcendent in the hope of a catch He focuses on the main areas of modern life work sport popular culture family friendship intimacy shopping tourism computers cars do it yourself renovation our democratic temper and the retreat into nature He also examines high culture the upper middle class elites and the universities tracing why they have lost their way and failed to provide a language that might help modern people understand their condition *Ego and Soul* offers a surprising and compelling new look at the way we live today and the way we try to make sense of our lives      **The Defiant One** Aubrey Malone,2013-10-04

**Mistress** John L. Williams,2013-08-29 Eartha Kitt was a skinny mixed race woman with an odd angular face who seduced fifties white America into thinking that she was in the words of Orson Welles the most exciting woman in the world She could

count Marilyn Monroe T S Eliot Prince Philip and Albert Einstein among her friends and admirers and was almost able to forget she had once been a poor black girl from the Deep South But her new persona was also a prison from which she found it impossible to escape John L Williams moving and unsettling biography shows a star adrift in a bewildering new America torn apart by the Civil Rights movement Shunned by many of her former friends shocked by her country s insidious racism and with a perilously fragile sense of her own identity Eartha Kitt would pay the price that came from trying to be America s mistress Dictionary of Pseudonyms Adrian Room,2014-01-10

Substantially revised and enlarged this new edition of the Dictionary of Pseudonyms includes more than 2 000 new entries bringing the volume s total to approximately 13 000 assumed names nicknames stage names and aliases The introduction has been entirely rewritten and many previous entries feature new accompanying details or quoted material This volume also features a significantly greater number of cross references than was included in previous editions Arranged by pseudonym the entries give the true name vital dates country of origin or settlement and profession Many entries also include the story behind the person s name change **Some**
