**Everything You Always Wanted to Know about God (But Were Afraid to Ask)** Eric Metaxas, 2005-10-18  
 Who doesn't have questions about God But where in the world can you go to get answers Eric Metaxas has been there so he gets it Which is why he's written this shockingly down to earth book on the big questions everyone asks but not always out loud Totally conversational and sometimes flat out hilarious this book asks How can a good God create a world that has evil and suffering Is God anti sex Doesn't science make God obsolete What's the real story on miracles If God is everywhere why go to church Don't we already have God within us Isn't God too busy running the universe to care about the details of my day These questions and many more get no nonsense answers that don't hide behind dull theological language So get the lowdown and more than a few laughs on what are probably the most important questions anyone has

 In this book it is a means toward not breaking down but breaking through

That you do not sink and hide out in your cave If this is you this book is the key to your breakthrough As you will see that when God says no it is not necessarily no But just it is not time yet If you are looking for God to show you the direction need for your life this book is the key That you will also see that God is able to do all things if you have the faith Are you looking for a shift If this is you and you are looking to shift in this season But it will aide in showing you what to focus on that will equip and encourage you to keep pushing forward That will show and reveal that you are not coming to come down off of the work and purpose that God has for your life That will reveal that in achieve this it has a requirement of working together to get it done As you will see and remember that we fall down but God gives you the option to get back up That will aide you in breaking through life challenges **The English Illustrated Magazine** ,1903 WORDS FROM THE BIRDS Sidney F.
