Edmonds John Maxwell Edmonds, 1937 **Red Pomegranates: Love, Beauty and Deceit** Mishael M. Caspi, Bshara Marjiyah, Mohammad Jiyad, 2020-08-10 No detailed description available for Red Pomegranates Love Beauty and Deceit *Erotic Literature Scope* Evelyn Saxon, AI, 2025-05-05 *Erotic Literature Scope* offers a comprehensive journey through the history of erotic literature demonstrating its profound impact on literary movements and societal values It examines how erotic expression often subject to censorship and shifting moral standards has both reflected and challenged social norms throughout history The book posits that erotic literature is more than just titillation it s a powerful force that has shaped the development of literature itself The book explores the evolution of erotic literature from ancient times through the Renaissance to contemporary works analyzing key texts and authors It delves into thematic elements such as desire power gender and transgression using close readings of significant literary works The study reveals how societal norms influence the creation and reception of erotic texts providing a fresh perspective on familiar works Beginning with foundational concepts the book progresses through historical analysis and thematic explorations culminating in an examination of the contemporary landscape This approach offers readers and scholars valuable insights into literary history gender studies and cultural criticism highlighting the integral role of erotic literature in understanding broader literary and cultural trends *Some Philosophical Aspects of Poetry. An Address Delivered to the Members of the Philosophical Institution, Edinburgh, at the Opening of the Session 1872-73* Stopford Augustus Brooke, 1872 **The Plays and Poems of Nicholas Rowe, Volume IV** Stephen Bernard, Robin Sowerby, 2016-11-03 Nicholas Rowe was the first Poet Laureate of the Georgian era A fascinating and important yet largely overlooked figure in eighteenth century literature he is the lost Augustan His plays are important both for the way they address the political and social concerns of the day and for reflecting a period in which the theatre was in crisis This edition sets out to demonstrate Rowe s mastery of the early eighteenth century theatre especially his providing significant roles for women and examines the political and historical stances of his plays It also highlights his work as a translator which was both innovative and deeply in tune with current practices as exemplified by John Dryden and Alexander Pope This is the first scholarly edition of all Rowe s plays and poems and is accompanied by 15 musical scores and 31 black and white illustrations In this fourth volume his poetry and the first part of his translation of Lucan s *Pharsalia* described by Samuel Johnson as one of the greatest productions in English poetry is presented A newly written explanatory introduction by Stephen Bernard to the poems and by Robin Sowerby to the

Pharsalia precedes each of full edited texts The second part of the text and textual apparatus are included with the fifth volume of this edition A consolidated bibliography is also included with the final volume for ease of reference *The Gentleman's Magazine*, 1774 The Gentleman's magazine section is a digest of selections from the weekly press the Trader's monthly intelligencer section consists of news foreign and domestic vital statistics a register of the month's new publications and a calendar of forthcoming trade fairs **Outlines of the world's history** Edgar Sanderson, 1885 **Complex Inferiorities** Sebastian Matzner, Stephen Harrison, 2018-11-01 This volume investigates an important and surprisingly widespread phenomenon in Latin literature which has to date received little sustained discussion the deliberate assumption of a weaker voice by speakers who in fact hold sufficient status not to be forced into this position Though often associated with the markers of imperial hegemony and elite speech Latin literature evinces a remarkably broad range of strategies designed to enable the adoption of a markedly disempowered voice from *topoi* such as *recusatio* professing a lack of ability to write in status conforming superior genres and rhetorical devices such as *prosopopoeia* artfully and strategically adopting a persona to garner favour even when this means temporarily forfeiting one's higher status and discursive privileges to the long silenced female heroines of Ovid's *Heroides* and satire's irreverent take on the great and the good by framing its narratives as being articulated from below Even large scale cultural self positionings fall within this scope be they expressions of Roman cultural inferiority vis vis classical Greece or the tensions that arise between humble yet spiritually superior Christian writers and their grand canonical and classical yet pagan predecessors The intersecting case studies offered in *Complex Inferiorities* examine this phenomenon in a wide range of genres periods and authors By demonstrating that re negotiating alleged weakness constitutes a central activity in Latin literature this volume reveals the extent of the literary and cultural political possibilities opened up by assuming and speaking in voices of weakness and inferiority Authored by experts in their fields the individual chapters explore the crucial role of the weaker voice in establishing perpetuating and challenging hierarchies and values in a wide range of contexts from poetics and choices of genre to social status and intra and intercultural relations thereby offering invaluable insights not only for the study of classics but for literary and cultural studies across the humanities **Cumulated Index to the Books**, 1955 *General Catalogue of Printed Books* British Museum. Department of Printed Books, 1960 **Public Opinion**, 1865 **Classics in Translation** Paul Lachlan MacKendrick, Herbert Marshall Howe, 1952 Annotation Here translated into modern idiom are many works of the authors whose ideas have constituted the mainstream of classical thought This volume of new translations was born of necessity to answer the needs of a course in Greek and Roman culture offered by the Department of Integrated Liberal Studies at the University of Wisconsin Since its original publication in 1952 *Classics in Translation* has been adopted by many different academic institutions to fill similar needs of their undergraduate students This new printing is further evidence of this collection's general acceptance by teachers students and the reviewing critics **The Dial** Francis Fisher

Browne, Waldo Ralph Browne, Scofield Thayer, Marianne Moore, 1911 **Winter Love** Jacob Korg, 2003 Ezra Pound and Hilda Doolittle who used the pseudonym H D are among the most important American modernist poets In this comparative study Jacob Korg examines their intertwined lives from an early romantic relationship when both writers were in their early twenties through the ongoing friendship and artistic dialogue that helped shape their work Drawing on unpublished letters and manuscripts as well as published works Korg offers a fresh view of two American artists and a wholly unexpected portrait of Pound examined here for the first time through the context of a female modernist *The Origins and Role of Same-Sex Relations in Human Societies* James Neill, 2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex John O'London's Weekly ,1921 **The Ladies' Repository** ,1866
