Henty and other writers, ed. by A.H. Miles Alfred Henry Miles, 1898 The king of pirates, being an account of the famous enterprises of Captain Avery, with lives of other pirates and robbers Daniel Defoe, Howard Maynadier, 1904 The Eclectic Magazine of Foreign Literature, Science, and Art ,1892

Messiah Pulpit ,1899 Contains text of sermons delivered by M J Savage and others in New York City Legislative Blue Book, 1917 ,1917 **The New Thought Companion** ,1914 **Canadian Mining Journal** ,1927 *Railway Age* ,1926 *The Express Messenger* ,1922 *Life Association News* ,1918 Essex Papers ,1890 **Colorado Engineers' Magazine** ,1917 **Business America** ,1982 Includes articles on international business opportunities *International Commerce* ,1967 **Radio News** ,1923 Some issues 1943 July 1948 include separately paged and numbered section called Radio electronic engineering edition called Radionics edition in 1943 **Global Corporate Governance** Donald H. Chew, Stuart L. Gillan, 2009-08-24 Effective corporate governance or the set of controls and incentives that drive top management originates both outside and inside the firm and assures investors who hope to commit their capital Essential when buying stocks in one s own country effective corporate governance is even more important abroad where information can be less reliable and investor influence or protection more limited In this collection of articles from the Journal of Applied Corporate Finance more than thirty leading scholars and practitioners discuss the possibilities and limitations of global corporate finance and governance systems whether in Europe and North America or in the emerging markets of Israel India Korea and South Africa Essays discuss the political roots of American corporate finance the structural and financial variations between international corporations control premiums and the effectiveness of corporate governance systems debt folklore and cross country differences in financial structures the driving forces behind the East Asian Financial Crisis of 1997 corporate ownership and control in India Germany France and the United Kingdom financial and economic lessons of Italy s privatization program changes in Korean corporate governance sovereign wealth funds and the new organization of Canadian business trusts A special roundtable discussion addresses shareholder activism in the U K **The American Occupation of Australia, 1941-45** John McKerrow, 2013-07-26 Over 120 000 American troops were stationed in Australia during the Second World War Hundreds of thousands more passed through the country between 1941 and 1945 Because of Japan s conquest of the Philippines in 1942 Australia was transformed into the principle base for the United States Army in the Southwest Pacific This American occupation of an allied country resulted in several areas of tension between friends The examination of these fault lines which have for the most part received little attention from historians is the purpose of this book Jurisdictional and policing disputes and problems between Australian workers and American authorities are examined American personnel committed thousands of crimes during the occupation many of which were notorious How Australians

reacted to these crimes and how the American military sought to limit their negative effect on wartime relations is a major focus of this book How the US military tried to protect GIs from prosecution by spiriting them out of Australia is also explored Other areas of tension such as race and gender relations which have been looked at by other historians are examined in a new light this book provides novel insights and challenges the existing historiography with regard to relations between black Americans and Australian civilians How leaders on both sides in particular Douglas MacArthur and John Curtin managed crises and relations between civilians and GIs are studied Sexual relations an area of particular concern for authorities were directed towards short term flings and prostitution In contrast authorities did all they could to discourage long term relations i e marriage Authorities obsessed over interracial sexual relations and doubled efforts to discourage them Conflicts between American personnel and Australian civilians during the occupation did not threaten the alliance against Japan Nevertheless there were myriad problems between allies that led to friction and ill will These problems demanded management from above

A People Betrayed Linda Melvern, 2019-03-15 Events in Rwanda in 1994 mark a landmark in the history of modern genocide Up to one million people were killed in a planned public and political campaign In the face of indisputable evidence the UN Security Council failed miserably in its response In this classic of investigative journalism Linda Melvern tells the compelling story of what really happened revealing both the scale speed and intensity of the unfolding genocide as well as exposing the governments and individuals who could have prevented what was happening if they had chosen to act The book also tells the unrecognised heroism of those who stayed on during the genocide from volunteer peacekeepers to courageous NGO workers Twenty five years on from one of the darkest episodes in modern history **A People Betrayed** is a shocking indictment of how Rwanda was ignored then and how today it is remembered in the West
