Some Problems In Medieval Historiography:

Some Problems in Medieval Historiography George Gordon Coulton, 1932 *The Work of Jacques Le Goff and the Challenges of Medieval History* Miri Rubin, 1997 Essays on medieval history inspired by and engaging with the work of Jacques Le Goff The essays in this volume arise from the proceedings of a conference held in 1994 to celebrate the life and work of the eminent French medievalist Jacques Le Goff Set within thematic sections popular religion and heresy the body royalty and its mystique intellectuals in medieval society and others many of the challenges raised by Le Goff are reassessed and reappraised There is an explicit historiographical focus in a section on the reception and influence of Le Goff with particular reference to the Annales school of history with which he is strongly identified the volume also indicates the problems which animate current research in medieval studies especially in certain areas of social and cultural history MIRI RUBIN is Professor of History Queen Mary University of London Contributors ALEXANDER MURRAY PETER BILLER ANDR VAUCHEZ R I MOORE OTTO GERHARD OEXLE LESTER K LITTLE WALTER SIMONS ADELINE RUCQUOI ALAIN BOUREAU JEAN DUBABIN WILLIAM CHESTER JORDAN PETER LINEHAN MIRI RUBIN GABOR KLANICZAY AARON GUREVICH ROBIN BRIGGS STUART CLARK Parallel Source Problems in Medieval History Frederic Duncalf, August Charles Krey, 1912 **Medieval Thought and Historiography** Giles Constable, 2023-05-31 Collected Studies CS1065 We assume that we have a clear understanding of how people in the Middle Ages thought and which attitudes they struck but in reality this is a subject of enormous complexity of which conclusions can only be drawn via painstaking archival research and decades of study Giles Constable has spent a career analysing these forces and impulses and this new collection draws together his major findings on a host of topics including frontiers metaphors religious life and spirituality and concepts of political theory **Historiography** Ernst Breisach, 2008-09-15 In this pioneering work Ernst Breisach presents an effective well organized and concise account of the development of historiography in Western culture Neither a handbook nor an encyclopedia this up to date third edition narrates and interprets the development of historiography from its origins in Greek poetry to the present with compelling sections on postmodernism deconstructionism African American history women s history microhistory the Historikerstreit cultural history and more The definitive look at the writing of history by a historian Historiography provides key insights into some of the most important issues debates and innovations in modern historiography Praise for the first edition Breisach s comprehensive coverage of the subject and his clear presentation of the issues and the complexity of an evolving discipline easily make his work the best of its kind Lester D Stephens American Historical Review The New Cambridge Medieval History: Volume 7, C.1415-c.1500 Rosamond McKitterick, 1995 This volume covers the last century interpreted broadly of the traditional western Middle Ages Often seen as a time of doubt decline and division the period is shown here as a period of considerable innovation and development much of which resulted from a conscious attempt by contemporaries to meet the growing demands of society and to find practical solutions to the

social religious and political problems which beset it The volume consists of four sections Part I focuses on both the ideas and other considerations which guided men as they sought good government and on the practical development of representation Part II deals with aspects of social and economic development at a time of change and expansion Part III discusses the importance of the life of the spirit religion education and the arts Moving from the general to the particular Part IV concerns itself with the history of the countries of Europe emphasis being placed on the growth of the nation states of the early modern world

The New Cambridge Medieval History: Volume 6, C.1300-c.1415 Rosamond McKitterick,1995 The sixth volume of The New Cambridge Medieval History covers the fourteenth century a period dominated by plague other natural disasters and war which brought to an end three centuries of economic growth and cultural expansion in Christian Europe but one which also saw important developments in government religious and intellectual life and new cultural and artistic patterns Part I sets the scene by discussion of general themes in the theory and practice of government religion social and economic history and culture Part II deals with the individual histories of the states of western Europe Part III with that of the Church at the time of the Avignon papacy and the Great Schism and Part IV with eastern and northern Europe Byzantium and the early Ottomans giving particular attention to the social and economic relations with westerners and those of other civilisations in the Mediterranean

Armstrong, Peter Crooks, Andrea Ruddick, 2022-01-24 This book is the first of its kind to engage explicitly with the practice of conceptual history as it relates to the study of the Middle Ages exploring the pay offs and pitfalls of using concepts in medieval history Concepts are indispensable to historians as a means of understanding past societies but those concepts conjured in an effort to bring order to the infinite complexity of the past have a bad habit of

taking on a life of their own and inordinately influencing historical interpretation The most famous example is feudalism whose fate as a concept is reviewed here by E A R Brown nearly fifty years after her seminal article on the topic The volume s contributors offer a series of case studies of other concepts colony crisis frontier identity magic networks and politics that have been influential particularly among historians of Britain and Ireland in the later Middle Ages The book explores the creative friction between historical ideas and analytical categories and the potential for fresh and meaningful understandings to emerge from their dialogue

Women in Medieval History and Historiography Susan Mosher Stuard,2016-11-11 What was the status of women in the Middle Ages How have women fared in the hands of historians And what is the current state of research about women in the Middle Ages Susan Mosher Stuard addresses these questions in a collection of essays that delve in to the history and historiography of women in medieval England France Italy and Germany Contributors include Barbara Hanawalt Diane Owen Hughes Suzanne Wemple Denise Kaiser and Martha Howell One of the most interesting observations made in *Women in Medieval History and Historiography* is the way in which the history of women in each country has followed a distinct course that is in rhythm with other concerns of national historical writing *Women in Medieval History and Historiography* will interest historians scholars of women s studies and medievalists

Historical Information Science Lawrence J. McCrank,2001 Here is an extensive review and bibliographic essay backed by 5 000 citations about developments in information technology since the advent of personal computing and the convergence of the disciplines Its focus is on the access preservation and analysis of historical information primarily in electronic form and the relationships between new methodology and instructional media technique and research trends in library special collections digital libraries electronic and data archives and museums

The Merovingians in Historiographical Tradition Yaniv Fox,2023-11-16 The Merovingian centuries were a foundational period in the historical consciousness of western Europe The memory of the first dynasty of Frankish kings their origin myths accomplishments and failures were used by generations of chroniclers propagandists and historians to justify a wide range of social and political agendas The process of curating and editing the source material gave rise to a recognizable Merovingian narrative with three distinct phases meteoric ascent stasis and decline Already in the seventh century Chronicle of Fredegar this tripartite model was invoked by a Merovingian queen to prophesy the fate of her descendants This expert commentary sets out to understand how the story of the Merovingians was shaped through a process of continuous historiographical adaptation It examines authors from across a millennium of historical writing and analyzes their influences and objectives charting the often unexpected ways in which their narratives were received and developed

The Haskins Society Journal Studies in Medieval History Robert Patterson,2003-11-01 The Haskins Society named after the celebrated American medievalist Charles Homer Haskins was founded in 1982 to provide a forum for the discussion and study of English and related continental history in the middle ages

Antiquity and Anachronism in Japanese History Jeffrey P. Mass,1992 This collection of essays is built around a major but

previously unstudied theme in Japanese history the extent to which the exaggeration of antiquity has distorted historical understanding **The Cambridge Medieval History: Victory of the papacy** Henry Melvill Gwatkin, 1929
