A Tangled Web Judith Michael,1995-10 Twin sisters Sabrina and Stephanie swap places and live each other s life for a week But a week becomes a month and what began as a lark ends in passion and tragedy **Division Street** Studs Terkel,2024-11-05 A landmark reissue of Studs Terkel s classic microcosm of America with a new foreword by the Pulitzer Prize winning journalist and co creator of the Division Street Revisited podcast Remarkable Division Street astonishes dismays exhilarates The New York Times When New Press founder Andr Schiffrrin first published Division Street in 1967 Studs Terkel s reputation as America s foremost oral historian was established overnight Approaching Chicagoans as

emblematic of the nation at large Terkel set out with his tape recorder and spent a year talking to over seventy people about race family education work prospects for the future all topics that remain deeply contentious today Subjects included a Black woman who attended the 1963 March on Washington a tool and die maker a baker from Budapest a closeted gay actor and a successful but cynical ad man As Tom Wolfe wrote Studs was one of those rare thinkers who is actually willing to go out and talk to the incredible people of this country Most interviewees shared the hope for a good life for their children and the wish for a less divided and more just America but the real Chicago street referenced in the title takes on a metaphorical meaning as a symbol of the acute social divides of the 1960s and highlights the continued relevance of Terkel s work in our polarized times Now over fifty years later Melissa Harris and Pulitzer Prize winning journalist Mary Schmich have created the remarkable Division Street Revisited podcast coming in January 2025 in which they have found and interviewed descendants of Terkel s original subjects in seven rich episodes Schmich s foreword to the reissue and the extraordinary podcast along with the new edition of Division Street together demonstrate Studs Terkel s prescience and the enduring importance of his work
