Somebodys Angel Child The Story Of Bessie Smith:

Somebody's Angel Child Carman Moore,1975 The life of the black singer who flourished in the twenties and was known as Queen of the blues

The 20th Century O-Z Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Nobody Knows Where the Blues Come From Robert Springer,2009-09-23 Musicians and music scholars rightly focus on the sounds of the blues and the colorful life stories of blues performers Equally important and until now inadequately studied are the lyrics The international contributors to *Nobody Knows Where the Blues Come From* explore this aspect of the blues and establish the significance of African American popular song as a neglected form of oral history *High Water Everywhere* Blues and Gospel Commentary on the 1927 Mississippi River Flood by David Evans is the definitive study of songs about one of the greatest natural disasters in the history of the United States *In Death by Fire* African American Popular Music on the Natchez Rhythm Club Fire Luigi Monge analyzes a continuum of songs about exclusively African American tragedy *Lookin for the Bully* An Enquiry into a Song and Its Story by Paul Oliver traces the origins and the many avatars of the Bully song *In That Dry Creek* Eaton Clan A North Mississippi Murder Ballad of the 1930s Tom Freeland and Chris Smith study a ballad recorded in 1939 by a black convict at Parchman prison farm *Coolidge's Blues* African American Blues from the Roaring Twenties is Guido van Rijn's survey of blues of that decade Robert Springer's *On the Electronic Trail of Blues* Formulas presents a number of conclusions about the spread of patterns in blues narratives *In West Indies Blues* An Historical Overview 1920s 1950s John Cowley turns his attention to West Indian songs produced on the American mainland Finally in *Ethel Waters* Long Lean Lanky Mama Randall Cherry reappraises the early career of this blues and vaudeville singer

A Bibliography of the Blues Joseph Charles Hickerson,1971 **The Flood Year 1927** Susan Scott Parrish,2018-12-04 A richly nuanced cultural history of the Great Mississippi flood The Great Mississippi Flood of 1927 was the most destructive river flood in U S history drowning crops and displacing more than half a million people across seven states It was also the first environmental disaster to be experienced virtually on a mass scale *The Flood Year 1927* draws from newspapers radio broadcasts political cartoons vaudeville blues songs poetry and fiction to show how this event provoked an intense and lasting cultural response Americans at first seemed united in what Herbert Hoover called a great relief machine but deep rifts soon arose Southerners pointing to faulty federal levee design decried the attack of Yankee water The condition of African American evacuees prompted comparisons to slavery from pundits like W E B Du Bois and Ida

B Wells And environmentalists like Gifford Pinchot called the flood the most colossal blunder in civilized history Susan Scott Parrish examines how these and other key figures from entertainers Will Rogers Miller Lyles and Bessie Smith to authors Sterling Brown William Faulkner and Richard Wright shaped public awareness and collective memory of the event The crises of this period that usually dominate historical accounts are war and financial collapse but The Flood Year 1927 allows us to assess how mediated environmental disasters became central to modern consciousness *Blues Empress in Black Chattanooga* Michelle R. Scott,2010-10-01 As one of the first African American vocalists to be recorded Bessie Smith is a prominent figure in American popular culture and African American history Michelle R Scott uses Smith s life as a lens to investigate broad issues in history including industrialization Southern rural to urban migration black community development in the post emancipation era and black working class gender conventions Arguing that the rise of blues culture and the success of female blues artists like Bessie Smith are connected to the rapid migration and industrialization in the late nineteenth and early twentieth centuries Scott focuses her analysis on Chattanooga Tennessee the large industrial and transportation center where Smith was born This study explores how the expansion of the Southern railroads and the development of iron foundries steel mills and sawmills created vast employment opportunities in the postbellum era Chronicling the growth and development of the African American Chattanooga community Scott examines the Smith family s migration to Chattanooga and the popular music of black Chattanooga during the first decade of the twentieth century and culminates by delving into Smith s early years on the vaudeville circuit *Masterplots II*. Frank Northen Magill,1993

The Encyclopedia of Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day *Big Road Blues* David Evans,2023-11-15 *Big Road Blues* by David Evans delves into the often overlooked processes of folk blues tradition and composition offering a groundbreaking study that reveals the intricate dynamics behind the evolution of this influential genre Through extensive folkloristic fieldwork Evans explores the oral traditions of blues singers tracing how songs are transmitted learned and reimagined across generations This book provides a comprehensive analysis of both the traditional and creative aspects of blues composition filling a crucial gap in the field of blues research Evans focuses on the local tradition of blues in southern black communities particularly examining the blues tradition in Drew Mississippi and its influential musicians like Tommy Johnson and Charley Patton By correlating fieldwork data with historical recordings *Big Road Blues* offers insights into how blues songs have evolved reflecting both the folk and popular ends of the musical spectrum This book is an essential read for scholars folklorists and anyone interested in the rich cultural heritage of folk blues This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982

Appalachian Children's Literature ,2010-04-13 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present Titles represent the entire region as defined by the Appalachian Regional Commission including portions of 13 states stretching from southern New York to northern Mississippi The bibliography is arranged in alphabetical order by author and each title is accompanied by an annotation most of which include composite reviews and critical analyses of the work All classic genres of children s literature are represented *The Music of Black Americans* Eileen Southern,1997 Beginning with the arrival of the first Africans in the English colonies Eileen Southern weaves a fascinating narrative of intense musical activity As singers players and composers black American musicians are fully chronicled in this landmark book Now in the third edition the author has brought the entire text up to date and has added a wealth of new material covering the latest developments in gospel blues jazz classical crossover Broadway and rap as they relate to African American music **A Blues Bibliography** Robert Ford,2008-03-31 A Blues Bibliography Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999 Material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then In addition to biographical references this work includes entries on the history and background of the blues instruments record labels reference sources regional variations and lyric transcriptions and musical analysis The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars *A Search of African American Life, Achievement and Culture* John C. Cothran,2006 Reviews the accomplishments courage and struggles of African Americans over the past 500 years *Blues Legacies and Black Feminism* Angela Y. Davis,2011-10-05 From one of this country s most important intellectuals comes a brilliant analysis of the blues tradition that examines the careers of three crucial black women blues singers through a feminist lens Angela Davis provides the historical social and political contexts with which to reinterpret the performances and lyrics of Gertrude Ma Rainey Bessie Smith and Billie Holiday as powerful articulations of an alternative consciousness profoundly at odds with mainstream American culture The works of Rainey Smith and Holiday have been largely misunderstood by critics Overlooked Davis shows has been the way their candor and bravado laid the groundwork for an aesthetic that allowed for the celebration of social moral and sexual values outside the constraints imposed by middle class respectability Through meticulous transcriptions of all the extant lyrics of Rainey and Smith published here in their entirety for the first time Davis demonstrates how the roots of the blues extend beyond a musical tradition to serve as a consciousness raising vehicle for American social memory A stunning indispensable contribution to American history as boldly insightful as the women Davis praises *Blues Legacies and Black Feminism* is a triumph *Southern Music/American Music* Bill C. Malone,David Stricklin,2021-10-21 The South an inspiration for songwriters a source of styles and the birthplace of many of the nation s greatest musicians plays a defining role in American musical history It is impossible to think of American music

of the past century without such southern derived forms as ragtime jazz blues country bluegrass gospel rhythm and blues Cajun zydeco Tejano rock n roll and even rap Musicians and listeners around the world have made these vibrant styles their own Southern Music American Music is the first book to investigate the facets of American music from the South and the many popular forms that emerged from it In this substantially revised and updated edition Bill C Malone and David Stricklin bring this classic work into the twenty first century including new material on recent phenomena such as the huge success of the soundtrack to O Brother Where Art Thou and the renewed popularity of Southern music as well as important new artists Lucinda Williams Alejandro Escovedo and the Dixie Chicks among others Extensive bibliographic notes and a new suggested listening guide complete this essential study

One Blood Spencie Love, 2000-11-09 One Blood traces both the life of the famous black surgeon and blood plasma pioneer Dr Charles Drew and the well known legend about his death On April 1 1950 Drew died after an auto accident in rural North Carolina Within hours rumors spread the man who helped create the first American Red Cross blood bank had bled to death because a whites only hospital refused to treat him Drew was in fact treated in the emergency room of the small segregated Alamance General Hospital Two white surgeons worked hard to save him but he died after about an hour In her compelling chronicle of Drew s life and death Spencie Love shows that in a generic sense the Drew legend is true throughout the segregated era African Americans were turned away at hospital doors either because the hospitals were whites only or because the black beds were full Love describes the fate of a young black World War II veteran who died after being turned away from Duke Hospital following an auto accident that occurred in the same year and the same county as Drew s African Americans are shown to have figuratively bled to death at white hands from the time they were first brought to this country as slaves By preserving their own stories Love says they have proven the enduring value of oral history General Interest Race Relations

The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

Black Authors and Illustrators of Books for Children and Young Adults Barbara Thrash Murphy, 1999 The Third Edition of this renowned reference work illuminates African American contributions to the genre of books for children and young adults with the biographies of 274 authors and artists including 121 new biographies not included in previous editions The book presents the user with a rich source of accessible in depth biographical data on each individual author or artist including birthplace education their approach to art or literature career development and awards and honors received Over

160 photographs of the subjects bring the biographies to life and 46 covers of important children's books are reproduced. Also included is a comprehensive index of books, an index of authors and illustrators and useful listings of publishers, distributors and bookstores arranged by state.

Give My Poor Heart Ease, 2009. Collects interviews and commentary on blues and gospel music from the Mississippi Delta area and discusses how race relations, connections to the sacred and Southern life helped mold this style of music.

The Virgin Encyclopedia of The Blues Colin Larkin, 2013-09-30. The Virgin Encyclopaedia of the Blues is a complete handbook of information and opinion about the history of the most classically simple, enduring and inspiring genre in the history of popular music. All entries have been created from the massive database of The Encyclopaedia of Popular Music, which has swiftly and firmly established itself as the undisputed champion of contemporary music reference books. Brand new research ensures that the 1000 entries are bang up to date and cover everyone: the musicians, bands, songwriters, producers and record labels who have made a significant impact on the development of the blues. It brings together pioneers like Robert Johnson and Blind Lemon Jefferson, the influence of Muddy Waters and Willie Dixon on the blues boom of the 1960s and the most recent blues resurgence featuring Keb Mo, Larry Garner and Jonny Lang. As well as the giants of the blues, this encyclopaedia has the range and depth to include performers who flew the blues flag during fallow periods: the 1980s band Roomful of Blues, for example, or acts like Paul Butterfield, Chicken Shack, Stevie Ray Vaughan, who took the music to a wider, whiter audience. Some blues musicians, including John Lee Hooker and Taj Mahal, seem to last forever. Others simply defined the genre, like Lead Belly, Bessie Smith and Howlin' Wolf. Whomever you remember or want to know more about, each entry gives the essential elements: dates, career facts, discography and album ratings, as well as a sense of context, striking a balance between the extremes of the self-opinionated and the bland.

This Engaging World of Kindle Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Flexibility E-book books, with their inherent mobility and simplicity of availability, have freed readers from the constraints of hardcopy books. Gone are the days of lugging cumbersome novels or carefully searching for particular titles in shops.
