*Someday Jane Dollahan* Gertrude Handy, Bob Handy, 1973\* **Journey to Freedom** Gail Shaffer Blankenau, 2024-03 In late November of 1858 two enslaved Black women Celia Grayson age twenty two and Eliza Grayson age twenty escaped the Stephen F Nuckolls household in southeastern Nebraska John Williamson a man of African American and Cherokee descent from Iowa guided them through the dark to the Missouri River where they boarded a skiff and crossed the icy waters heading for their first stop on the Underground Railroad at Civil Bend Iowa In *Journey to Freedom* Gail Shaffer Blankenau provides the first detailed history of Black enslavement in Nebraska Territory and the escape of these two enslaved Black women from Nebraska City Poised on the frontier the Graysons escape demonstrated that unique opportunities beckoned at the confluence of Nebraska Missouri Iowa and Kansas and their actions challenged slavery's tentative expansion into the West and its eventual demise in an era of territorial fluidity Their escape and the violence that followed prompted considerable debate across the country and led to the Nebraska legislature's move to prohibit slavery Drawing on multiple collections records and slave narratives *Journey to Freedom* sheds light on the Graysons' courage and agency as they became high profile figures in the national debate between proslavery and antislavery factions in the antebellum period The Underground Railroad Mary Ellen Snodgrass, 2015-03-26 The culmination of years of research in dozens of archives and libraries this fascinating encyclopedia provides an unprecedented look at the network known as the Underground Railroad that mysterious system of individuals and organizations that helped slaves escape the American South to freedom during the years before the Civil War In operation as early as the 1500s and reaching its peak with the abolitionist movement of the antebellum period the Underground Railroad saved countless lives and helped alter the course of American history This is the most complete reference on the Underground Railroad ever published It includes full coverage of the Railroad in both the United States and Canada which was the ultimate destination of many of the escaping slaves The Underground Railroad An Encyclopedia of People Places and Operations explores the people places writings laws and organizations that made this network possible More than 1 500 entries detail the families and personalities involved in the operation and sidebars extract primary source materials for longer entries This encyclopedia features extensive supporting materials including maps with actual Underground Railroad escape routes photos a chronology genealogies of those involved in the operation a listing of Underground Railroad operatives by state or Canadian province a passenger list of escaping slaves and primary and secondary source bibliographies John Todd and the Underground Railroad James Patrick Morgans, 2006-10-18 Born November 10 1818 John Todd grew up in the rural area surrounding Harrisburg Pennsylvania The most formative experience of his life was attending college in Oberlin Ohio A one of a kind educational institution Oberlin College was fully integrated allowing men and women black and white to attend the same classes at a time when the entire country was in a racial upheaval As a result Oberlin turned out a group of men and women almost devoid of racial prejudice It was from this pool of

graduates that many of the founders of Tabor Iowa were drawn They were determined to found an Oberlin like college in the westernmost territory of the United States so it was no surprise that this group quickly became active in the Underground Railroad and other abolitionist activities This biography details the life of the Reverend John Todd and presents the story of the Underground Railroad Station in Tabor With the life of Todd as a common thread the book explores how the station began and the noble purposes behind its birth From the beginning of Todd s career at Oberlin College the book follows him from an unsatisfying first pastorate to the site of his life s work in Tabor where he would provide spiritual guidance and leadership along with friend George Gaston for the settlement The work covers the prewar construction of the Tabor Literary Institute which was beset by financial and administrative difficulties from the beginning With a singleness of purpose spurred on by Todd and Gaston the residents of Tabor joined in the abolitionist movement through participation not only in the Underground Railroad but in the Jim Lane Trail and Kansas Free State Movement as well John Brown was in and out of Tabor on many occasions bringing escaped slaves with him Todd s service in the Union Army and jubilation with the Federal victory are also discussed An appendix contains various letters and documents pertaining to the Todd family the Underground Railroad and other abolitionist activities

**The Story of My Campaign** Francis T. Moore,2011-09-01 In 1861 Francis Moore appeared to be a perfectly ordinary twenty three year old man a carriage maker in the bustling Mississippi River town of Quincy Illinois And there he might well have lived out his life in unadventurous comfort But then the Civil War

burst out and Moore along with most of his friends like young men North and South rushed to enlist in the army His cavalry regiment soon set off for what proved to be four years of warfare plunging him into harrowing experiences of battle that would have been unimaginable back in his small hometown and that uprooted him body and soul for the remainder of his life Enter *The Story of My Campaign* the remarkable Civil War memoir of Captain Francis T Moore which historian Thomas Bahde here offers in an original edition to contemporary readers for the first time Moore began the war as a private in Company L of the Second Illinois Volunteer Cavalry and was soon promoted to lieutenant and then captain of his company He spent most of the war fighting guerillas in Missouri Kentucky Tennessee Mississippi and Louisiana He fought at the battle of Belmont Kentucky in 1861 and raided Mississippi with General Benjamin Grierson in 1864 He also battled Confederate leaders such as Nathan Bedford Forrest and Leonidas Polk His unflinching chronicle of small scale and irregular warfare combined with his intimate account of military life make his memoir as absorbing as it is historically valuable Moore was also an unusually articulate young man with strong opinions about the war the preservation of the Union the institution of slavery African Americans the people of the South and the Confederacy his wartime observations and his postwar reflections on these themes provide not only a captivating narrative they also provide readers with an opportunity to examine how the conflict endured in the memory of its veterans and the nation they served The enormous social upheaval and staggering loss of human life during the Civil War cannot be overstated the estimated 2 percent of Americans or 620 000 people who died in the conflict would be the equivalent of 6 000 000 people today *The Story of My Campaign* offers an indelible account of this conflagration from the perspective of one of its survivors It is evidence of a hard war fought and the long hard life that followed

**The Wild West** Will Wright, 2001-06-18 An extremely accessible well structured and imaginative reading of market and social theory in terms of the myth of the Wild West frontier *New Formations* This book written by the author of the celebrated volume *Six Guns and Society* explains why the myth of the Wild West is popular around the world It shows how the cultural icon of the Wild West speaks to deep desires of individualism and liberty and offers a vision of social contract theory in which a free and equal individual the cowboy emerges from the state of nature the wilderness to build a civil society the frontier community The metaphor of the Wild West retained a commitment to some limited government law and order but rejected the notion of the fully codified state as too oppressive the corrupt sheriff Compelling and magnificently suggestive the book unpacks one of the core icons of our time It is a unique discussion of market and social theory using cultural myth Will Wright fully explores how issues of individualism freedom and inequality in the myth of the Wild West connect up with questions of white male superiority and environmental degradation **'American Book**
