Francesco

Borseti, 2016-08-26 From their heyday in the 1950s and 1960s B movies declined in popularity through the 1970s As the big Hollywood studios began to make genre films with sky high budgets independent producers of low budget movies could not compete in theaters The sale of American International Pictures in 1979 and New World Pictures in 1983 marked the end of an era The emergence of home video in the 1980s marked the beginning of a new phase as dozens of B movies were produced each year for the small screen many becoming cult classics of science fiction horror and fantasy Through numerous interviews with producers directors photographers and actors this book sheds light on an overlooked corner of film history with behind the scenes stories of 28 low budget favorites from the 1980s Cartelera cinematográfica, 1980-1989 María

Luisa Amador, Jorge Ayala Blanco, 2006 Seventh volume of exhaustive research that presents the complete data of the exhibition of films in Mexico City during the decade of the 1980 s The information is classified and organized containing all the opening day films in all the movie theaters of the capital city Academic Vocation in the Church and Academy Today Shaun C. Henson, Michael J. Lakey, 2017-05-15 This book explores the vital common yet surprisingly often misunderstood and neglected vocation of people gifted to combine academic and priestly roles in church church related and secular academic contexts The works of those who unite priestly and academic functions into one vocation have been vital to the Church since its first century foundations The Church would have no practically informed theology or liturgy and arguably no New Testament if not for individuals who have been as gifted at researching writing and teaching as at conventional ministry skills like preaching and pastoral care With a specific focus on Anglicanism as one useful lens prominent voices from around the Anglican Communion reflect here on their experiences and expertise in academic priestly vocation Including contributions from the UK USA and Australia this book makes a distinctive and timely offering to discussions that must surely continue
