piloting skills for job readiness and performance *Twisted Love Languages* Susan Serena Marie, 2021-08-03 Growing up in today's world leaves most people with dysfunctional wreckage and improper coping mechanisms. It therefore makes sense that our natural love languages would get damaged in this process. Therefore, this workbook's sole purpose is to aid in the healing of some of this damage. The book briefly goes over the five love languages in conjunction with the author's own story while at the same time asking the reader to reflect on themselves. Additionally, the book takes a look at what God has to say on the subject. As Christians, we strive to follow God's Word so that we can be of maximum benefit to Him. Our unhealthy modes of communicating are no different; we want Him to mold us and make us an example of His love. Since this is a workbook, it has both questions and exercises to achieve this end. It is intended to be used as a tool to open the eyes of the reader as well as give glory to God.
