The Accidental Matchmaker Elena Martinez, Sarah Chen stared at the ruins of her carefully planned engagement party watching the last of the guests shuffle out of the botanical garden with apologetic smiles and half eaten cake plates The string quartet had packed up an hour ago right after the groom to be had announced to everyone assembled that he couldn t go through with the wedding because he d found his true calling as a documentary filmmaker in Nepal and would be leaving on a plane that very evening At least the flowers are pretty her best friend Maya offered weakly gesturing toward the elaborate orchid arrangements that had cost Sarah three months of overtime pay from her job at the marketing firm Sarah let out a laugh that sounded more like a sob I can t believe this is my life right now Six months of planning two hundred guests and he decides NOW that he needs to find himself in the Himalayas Maya wrapped an arm around Sarah s shoulders as they surveyed the aftermath Tulle and fairy lights still hung from the pergola creating a mockingly romantic scene for Sarah s public humiliation Her phone buzzed insistently in her purse no doubt more texts from relatives asking if she was okay or worse if there was anything they could do to help You know what the really pathetic part is Sarah continued bending down to pick up a scattered rose petal I m not even that heartbroken about losing David I m more upset about losing the deposit on the venue and having to explain this to my grandmother for the hundredth time

The Gentlemen McKenzie Ann

Forbes,2014-12-12 When Artemis Knight is thrown into the world of the Gentlemen she learns the brutal truth about the world professional criminals run society heroes are extinct and police are nothing but toys to play with Artemis Knight has been trained her whole life to be normal Her abusive father taught her everything she needed to learn to survive in the chaotic world but being normal is the only skill she can't master With her friend Brendon Ury by her side she unknowingly squeaks by the Gentlemen's radar Until one day one of the most dangerous criminals stops by her bakery The rule is simple don't upset the system If you do you'll be silenced permanently As a girl in the male dominated criminal world Artemis has already upset the system before making a single move Unwanted secrets buried deep in the Gentlemen's past pour out with the mention of her father The system has never been more off balanced and someone needs to take the fall The Gentlemen's only threat saunters out of the shadows seeking vengeance creating fear in the royal family of crime **The Plough, the Gun and the Glory 2** Angus Hyslop,2008-09-13 IN SEARCH OF RELATIVES RETURN TO AUSTRALIA HEATBREAK A NEW ERA A STORY YOU WILL NOT FORGET *The Family Chao* Lan Samantha Chang,2022-02-01 Winner of the 2023 Anisfield Wolf Book Award A Vogue and NPR Best Book of the Year Featured on Barack Obama's Summer Reading List 2022 An acclaimed storyteller returns with a gorgeous and gripping literary mystery that explores family betrayal passion race culture and the American Dream Jean Kwok The residents of Haven Wisconsin have dined on the Fine Chao restaurant's delicious Americanized Chinese food for thirty five years content to ignore any unsavory whispers about the family owners Whether or not Big Leo Chao is honest or his wife Winnie is happy their food tastes good and their three sons earned scholarships to respectable colleges But when the brothers reunite in Haven the Chao family's secrets and simmering resentments erupt at last Before long brash charismatic and tyrannical patriarch Leo is found dead presumed murdered and his sons find they've drawn the exacting gaze of the entire town The ensuing trial brings to light potential motives for all three brothers Dagou the restaurant's reckless head chef Ming financially successful but personally tortured and the youngest gentle but lost college student James As the spotlight on the brothers tightens and the family dog meets an unexpected fate Dagou Ming and James must reckon with the legacy of their father's outsized appetites and their own future survival Brimming with heartbreak comedy and suspense *The Family Chao* offers a kaleidoscopic highly entertaining portrait of a Chinese American family grappling with the dark undercurrents of a seemingly pleasant small town **The Knowing of Thomas James** Alan James,2011-10-18 *The Knowing of Thomas James* In May of 1906 a telegram was delivered to the Methodist Manse home of the Reverend Thomas Albert James in Albany on the Southern tip of Western Australia Mr James has been accidentally drowned Body not recovered Particulars posted today Deep regret Robert Hunter These few words were to alter forever the lives of the James family They were to unleash such a scandal that Thomas's family fled the town in shame and his church excommunicated him The true story behind these events ran in newspapers across the country throughout 1906 This truth was deliberately buried by Mrs James and the family a taboo not to be mentioned a mystery that remained hidden from successive

generations for nearly a century The Reverend Thomas James was no ordinary rural parson He had risen to the pinnacle of leadership of the church in Western Australia but was a controversial character at loggerheads with the hierarchy of his church In the aftermath of the events of 1906 the church records too were embargoed until the year 2000 such was the magnitude of his indiscretion In 1906 Thomas James disappeared in circumstances that scandalized the church and shocked the family and society to the core None of thirteen grandchildren ever knew their grandfather All were denied the truth until this story was written The Knowing of Thomas James has come as a revelation to his descendants For one branch of the family knew who he had been but knew nothing of what became him and another branch of the family had absolutely no knowing of their grandfather at all The impact and implications of this story are being felt to this day The story was written as the result of more than two decades of research It was a story that needed to be told for the sake of the families It was told to honour a promise made to one of Thomas James s grandchildren A promise to my own father for Thomas Albert James is my great grandfather Essentially this is a family history and that was its design however it was my opinion that many family histories have limited appeal to any but those connected It was always my intention to take the factual bones of research and imbue them with the flesh and blood of feelings and emotions I have tried to enter the hearts and minds of the many characters touched by these tumultuous events in a story that has appeal to all Each of the characters in this drama is introduced as the family moves across the years toward the fateful point in time when the shocking events unfold For the family the facts are presented in detail for all to find I make no apology for the creative licence taken in interpreting these events and attributing motives to those involved in this story I have created my own explanation of the actual events portrayed in a way that I hope is attractive for readers who have no personal connection to this story I have liberally included actual material as and when I felt it appropriate to do so with the generous support of the newspapers of the day This is a fiction built on the truth of a very real story Were this story to be played out today it would surely make the headlines and be fed upon by our salacious modern media However these events were set in a time long passed in the strict moral world of Victorian Australia at the opening of the twentieth century My great grandmother and her children sought refuge from the humiliation of these events by moving to a farm on the beautiful Kalgan River twenty miles east of Albany My grandfather and then my father in his turn farmed this property Today my brother is the farmer and I too live on the property within sight of the original farmhouse and of the river I am by profession a teacher of History and have worked for more than twenty five years at the main High School in Albany I knew nothing of the story until 1988 when I encountered reference to Thomas James in the history of his sister s family Not
