Sometimes Angels Weep C. S. Hanson, 2001-04 Is a woman required to stay with her abusive husband to be a good Christian Can a woman have her own special mission from God Do angels really watch over us SOMETIMES ANGELS WEEP is the story of one special soul s journey through life and her answers to these questions The story starts in the courts of heaven where Eelima one of the Elohim is given his assignment on earth An unseen angel goes with him through the earthly journey His earthly identity is Jenny who is raised in the circus by a mother who was abandoned while pregnant and a father who is abusive At 18 she runs away to the arms of a mama s boy from whom she soon flees again Her parents take her infant son from her at gunpoint when she goes to New York to find work Her second husband is abusive and unfaithful but she stays with him after her conversion because the church says she must The second part of Jenny s life starts years later when she finally does leave her husband just in time to keep from being murdered She goes into prison ministry where she meets and falls in love with a much younger man God uses her in the prison system and she eventually marries the young prisoner There are many problems such as his forced escape from Deer Lodge prison She helps him hide out in the mountains until he can safely turn himself in again A younger woman complicates their lives and Jenny must work through all these troubles while still remaining true to her Lord SOMETIMES ANGELS WEEP is a love story
