Postcards from Summer Cynthia Platt, 2022-05-31 The Notebook meets Love Gelato in this heart wrenching novel full of deep romance and searing tragedy Kirkus Reviews about a teen girl who travels to her late mother s majestic summertime home to learn of the romance and the tragedy that changed her life forever Seventeen year old Lexi has always wanted to know more about the mother who passed away when she was only a child But her dad will barely talk about her He says he d rather live in the present with Lexi her stepmom and her half brother Lexi loves her family too but is it so wrong to want to learn about the mom she never got to know When Lexi s grandma dies and secretly leaves her a worn blue chest that belonged to Lexi s mother Lexi is ecstatic to find a treasure trove of keepsakes Her mom held onto letters pamphlets flyers and news articles all from the same beautiful summertime getaway Mackinac Island plus a cryptic postcard that hints at a forbidden romance If Lexi wants answers this island is where she needs to go Without telling her dad Lexi goes to the gorgeous Mackinac Island in Lake Huron reachable only by ferry Cars are forbidden and bikes are the number one mode of transportation along the quaint cobblestone streets and the magical hotel that rests alongside cozy caf s and bookshops While following her mother s footsteps Lexi befriends an elderly former Broadway star and a charming young hotel worker while quickly falling in love with her surroundings But though the island may be beautiful it s hiding unfortunate secrets some with her mother at the center Could some questions be best left buried beneath the blue waters In a Hedge Druid's Grove David Bridger, 2023-07-01 A year in the life of an old salt who sailed the world and came home to a different place my memories and me exploring nature and history together in the wooded valley where I have settled as a solitary practising hedge druid I wrote this book for myself obviously and for readers who like me are seekers of spiritual communion with nature who might follow a religion or more than one religion or no religion at all survivors of childhood sexual abuse people who live with chronic illness and pain and or those interested in prehistory archaeology oral traditions documented social

history genealogy and ancestors of blood of place and of tradition While writing this memoir in the form of a personal nature journal over twelve months I remembered myself as a boy who loved the wild land I lived upon who through tragedy and trauma lost that part of myself Settling as an old man somewhere with a remarkably similar landscape history to that of my birthplace I've found the boy again And a lifetime later he is helping me to become whole **Three Worlds Collide**

Gransom Hayes,2023-08-15 **Three Worlds Collide** is a crime thriller novel with supernatural undercurrents The story begins with a close call then evolves into a single mother's struggle to protect her mischievous daughter from the vengeance of a possessed narcotrafficker She must not only rely on the complexities of newly forged alliances but also on the spiritual conviction of ancient protectors roaming the seams of the afterlife All of which must coalesce to overcome a maniacally conjured entity The deeper they get into the entanglements of the criminal underworld the more intense the supernatural becomes Despite their fears they must find a way The fate of humanity is at stake **American Blow Job: A Novel** Teri

Louise Kelly,2010-07-02 With neither mercy nor apology **AMERICAN BLOW JOB** penetrates to the core of America's now vacuous soul and exposes Lady Liberty for the paramour that in fact she has become in the late twentieth and early twenty first centuries **A Treasury of Tales**,1885 **Surviving Unemployment: Staying Centered While Your World Turns**

Upside Down Valerie Pederson,2005-05-31 **Surviving Unemployment** will help you at every turn of your unemployment experience The book begins by helping you recover from your initial job loss trauma then it moves onto inspiring your day to day activities including finding and getting a job Finally it provides relaxations and affirmations that are specifically written for the job hunter When you are unemployed it is not only your task to get a new job but it is also your task to be content and confident during the time you are unemployed This book is about not feeling alone and dreading the extra time that you are suddenly given it is about feeling your best when you go on job interviews despite the fact that you really want the job and your inner negative voice is saying you're not qualified In other words it is about living life mindfully while you wait for your work life to start again *Space 1999 and Critical Theory* John K. Balor,2017-11-11 The television series **SPACE 1999** was

in its first series shaped by the late sixties and early seventies counterculture movements making **SPACE 1999** into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate **SPACE 1999** went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **The Origins of the Celtic People** Anna Harvey,2014-10-06 The book tells the story of our Ancient History of the Western World and the Celtic People Leading up to their demise and total annihilation from Henry the 8th with cannons and ending with Cromwell it also tells about the scientific experimentation of the blighted potato for 35 years they were scientifically analysing it from 1814 from when it was first discovered before it was fully implemented into Ireland and I have a photo with a caption

underneath it specifying the extermination of the Irish People and how the fields were manned with soldiers who were placed in a harrowing situation that if they did not carry out their orders shoot to kill if the Irish people tried to get the turnips or other vegetation that was fully grown in Ireland and shipped to England they too would be shot they were to be deliberately starved to death by order of the Duke Of Wellington *Conversations with Neil Gaiman* Joseph Michael
