Somewhere Just Beyond:

Just Beyond View Marilyn Stacy, 2019-06-10 Marilyn Stacy has a knack for seeing beyond what most of us see a knack enhanced by her years as a family counselor She is completely open to what is possible when disbelief is erased and doubts are set aside In **Just Beyond View** Marilyn Stacy takes us on a journey in verse through time and place where lines between real and imaginary are undefined unnecessary through past present and future all the way to heaven's gate where a keg of nails becomes a testimonial Her words are filled with hope and comfort We are carried jubilantly along the currents of life Nothing is as it seems as she describes books we write inside of souls Her faith and humor permeate the words turning and twisting in the end to enlighten us

The Garden Just Beyond Lindsey Leavitt, 2025-05-20 For fourteen year old Magnolia Gartner nothing is more important than tradition and the most important traditions in her eccentric family are the magical dinner parties they've been hosting for generations Anyone lucky enough to have dined at the Gartner's estate in Humble Hollow will claim the meal was life changing and that's true because the crops the family harvests and the dishes they prepare have the power to alter the emotions and fortunes of anyone who eats them It's not just the food either for as long as anybody can remember the whole Gartner family has been exceptional though Maggie often feels like the exception That's going to change when Maggie cooks her first dinner and proves she's just as special just as Gartner as everyone else But when a mysterious stranger moves to town and threatens the family's century old secrets the Gartner family and all of Humble Hollow are at risk of losing far more than a seat at the table With the help of new kid Graham as well as trusty townsfolk and family folklore Maggie must dig deep to see what others can't especially buried truths that feel just beyond her reach Devilishly absurd and heartachingly true **The Garden Just Beyond** untangles themes of heritage identity and legacy in a tale that twists and turns until the enchanted end

Just Beyond Listening Michael C. Heller, 2023-11-14 **Just Beyond Listening** asks how we might think about encounters with sound that complicate standard accounts of aurality In a series of essays Michael C Heller considers how sound functions in dialogue with a range of sensory and affective modalities including physical co-presence textual interference and spectral haunting The text investigates sound that is experienced in other parts of the body altered by cross-wirings of the senses weaponized by the military or mediated and changed by cultural practices and memory Building on recent scholarship in sound studies and affect theory Heller questions not only how sound

propagates acoustically but how sonic presences temper our total experience of the world around us
