Somewhere Out In The West:

Sarah'S Blessing Jerald Beverland,2017-10-06 In the 1800s the great and uncharted American West promised a glimmer of hope to poor folks east of the Mississippi River in need of new adventure and new life Wagon trains traveled the renowned Oregon and Mormon Trails their paths often paved with the graves of courageous men and women who dreamt of gold and the promise of prosperity John McCrumb takes his family on one such dangerous trek in including his beloved wife Sarah their two beautiful daughters Lucy and Amy and their two adventurous sons Jerald and Jacky A ragtag group of extras tags along on their journey including some cowpokes from Tennessee a blind girl and a giant mountain man each answering the call for an alluring life out west Despite Sarahs deteriorating health John presses on toward their goal They must survive a buffalo stampede an angry grizzly and even kidnapping by Ute Indians before reaching their final destination The Wild West is a beautiful untamed place but Sarahs unshaking faith in God leads them ever closer to their goal Even tragedy will not stop these pioneers inspired by the American dream of freedom and greatness **Print the Legend** Sidney A.

Pearson,2009-01-01 In **Print the Legend** Politics Culture and Civic Virtue in the Films of John Ford a collection of writers explore Ford s view of politics popular culture and civic virtue in some of his best films *Drums Along the Mohawk* *The Searchers* *The Man Who Shot Liberty Valance* *Stagecoach* *How Green Was My Valley* and *The Last Hurrah* John Ford more than most motion picture directors invites his viewers into a serious discussion of these themes For instance one can consider Plato s timeless question What is justice in *The Man Who Shot Liberty Valance* vengeance as classical Greek tragedy in *The Searchers* or ethnic politics in *The Last Hurrah* Ford s films never grow stale or seem dated because he continually probes the most important questions of our civic culture what must we do to survive prosper pursue happiness and retain our common decency as a regime Further viewing them from a distance of time we are subtly invited to ask whether anything has been lost or gained since Ford celebrated the civic virtues of an earlier America Is Ford s America an idealized America or a lost America **The Independent** Leonard Bacon,Joseph Parrish Thompson,Richard Salter Storrs,Joshua Leavitt,Henry Ward Beecher,Theodore Tilton,Henry Chandler Bowen,William Hayes Ward,Hamilton Holt,Fabian Franklin,Harold de Wolf Fuller,Christian Archibald Herter,1921

The Oklahoma Kid Kenneth Orr,2011-04 If you like to read about early western history and at the same time read about the real people who were making it happen this is the right book for you This fictional story is a combination of many stories

that were told to me by residents of east central Oklahoma during the years I lived there It covers law enforcement selling whiskey Indians love and family circus tent preachers medicine men and the oil company s takeover of much of Oklahoma s natural assets It is also about how society was reacting to the trials and problems of the common man You will need to put yourself back int history and forget modern day events to enjoy reading this book As you read you will soon find that you are identifying the same kinds of events that happened then with similar events that happen everyday in our current world It is a fact history does repeat itself The only differences are the people and the more modern way things are being done today My first two books were centered on Texas This one was just waiting inside my head to jump out I wanted to tell a tale of the early days in the wonderful state of Oklahoma The West as we refer to our country today was based on several states and the extreems found in all of the areas I hope you enjoy reading this book as much as I enjoyed writing it Crazy Fox Ranch Deborah Garner,2018-05-25 Hockey Talk M.
