**Somewhere South of Here** William Kowalski,2024-04-16 I d wondered about my mother all my life what she looked like how she smelled and sounded and acted Lately this wondering had grown to encompass a curiosity about the kind of people she herself came from because they were my family too after all even though I knew nothing about them I d no idea whether they were loud or soft spoken funny or boring preferred chocolate to vanilla if they liked movies over books or the other way around I wondered whether any of them had ever done anything magnificent in their lives or if they were the kind of folks who were satisfied with just getting by These things were important knowing them would help me to know myself and the only way that would happen was if I went and looked for her With all his possessions on his motorcycle Billy Mann sets off on a cross country odyssey from New York to Santa Fe in search of a mother who deserted him long ago What Billy discovers however is a life rich with possibility the chance for love friendship and finally a family to call his own *Got Warrants?*

Timothy Cotton,2021-10-01 For the hundreds of thousands of followers of the Bangor Maine Police Department on social media the Got Warrants feature brings a regular dose of levity Pulled straight from daily reports these short interludes provide a welcome spin on the standard police log Collected here is a fresh batch of all true police related hijinks Poking fun at human nature and turning ne er do wells into sages of silliness Got Warrants reminds us all to step back take a deep breath and try not to take things so seriously *Hearings* United States. Congress. House,1957 *Bright Captivity* Eugenia Price,1996-07-15 Anne Couper falls in love with a British lieutenant in the early 19th century on St Simons Island NoveList

*The Shabbos Suitors* Betty Jeanne Korson,2010-03-02 With her marriage prospects getting slimmer Amanda Cornfeld a forty year old single woman must choose from among three suitors that her mother has selected for her to consider for marriage They all must pass a series of trials brave her fierce dog escape the limits of time and give her something priceless Which one will she choose the unscrupulous lawyer who wants to dominate her the artistic impresario who needs her or the unlikely blind date who rescues her from depression Amanda is haunted by all three in her dreams Only her will to determine her own fate leads her to her final choice With her faithful Rottweiler by her side she travels to strange cities and far off shores in her quest for a mate A gold ring a freak fire and an ancient water ritual are some of the barriers she encounters along the way **Hearings** United States. **The Voice of the Pack** Edison Marshall,2022-09-15 In The Voice of the Pack Edison Marshall crafts a riveting western tale of survival and transformation Set against the vast backdrop of the American wilderness Marshall s narrative follows a feeble and ailing man who steps into the role of an unexpected guide for an elderly figure and his daughter their lives disrupted by a renegade s destructive act With a richly descriptive style that delves into the psyche of its characters the novel reflects the harsh realities of frontier life through its stark prose and poignant symbolism painting a stark contrast between

the fragility of human life and the unforgiving nature of the wild Marshall's work stands as a testament to the indomitable human spirit resonating well within the literary context of tales of the American West Edison Marshall's own life and experiences inform his vivid storytelling in *The Voice of the Pack* Known for his sweeping adventure novels Marshall's keen interest in history and the natural world often shaped the narratives he presented to his readers The underlying themes within this work such as resilience in the face of adversity and the primal instincts that emerge in dire circumstances could very well be reflective of Marshall's observations and considerations of human nature's complexities and its relationship with the environment Scholars and enthusiasts of Western literature will find *The Voice of the Pack* a compelling addition to the genre Marshall succeeds in not only telling a tale of human struggle and perseverance but also invites the reader to contemplate the larger existential themes woven throughout the story Recommended for those who appreciate a nuanced exploration of character dynamics set amidst the brutal yet awe inspiring tableau of the American wilderness this novel promises a journey that is as introspective as it is outwardly adventurous

**Not From Around Here** Brandon J O'Brien, 2019-10-01 Tidy categories may suit the media but people are more complex up close News outlets historians and sociologists can and do tell us all about the statistics but they don't and can't tell us about what it's really like in a given place how the squish of creek water between your toes or the crunch of autumn leaves on a city sidewalk shape your sense of normal and good and right To understand that to understand the people in the places we need stories We need to listen get to know the nuance of people and have empathy for their way of seeing things Brandon O'Brien is in many ways a man torn between places Raised in the rural South educated in the suburbs and now living and doing ministry in Manhattan he's seen these places and their complexity up close With the knack of a natural storyteller he shares what he learned about himself faith and the people who make up America on his own journey through it

[Wish I Was Here](#) M. John Harrison, 2024-09-03 Named a Best Book of the Year by The Guardian The Observer London Granata and TLS and a finalist for a World Fantasy Award Acclaimed master of speculative fiction fantasy space opera and literary realism and one of the most celebrated living British authors M John Harrison has crafted a masterpiece Helen MacDonald author of *H Is for Hawk* with this anti memoir about the joys and perils of the writing life M John Harrison has produced one of the greatest bodies of fiction of any living British author But is there even an M John Harrison and if so where do we find him This is the question the author asks in this memoir as mystery turning for clues to forty years of notetaking A note or it never happened A note or you never looked Are these notebooks records of failed presence How do they shine a light on a childhood in the industrial Midlands a portrait of a young artist in counterculture London on an adulthood of restless escape into hill and moorland landscapes And do they tell us anything about the writing of books each one so different from the last that it might have been written by another version of the author With aphoristic daring and laconic prose this infectiously engaging *The Times Literary Supplement* London anti memoir will fascinate and delight It confirms M John Harrison still further in his status as the most original

British writer of his generation Wish I Was Here is a beautifully strange masterwork It is as if M John Harrison s prose devises its own autobiography while the figure of its author stands to one side tinkering at a eulogy for a dead cat a manifesto against ruin porn and a manual of operating procedures for creativity as funky as a Brian Eno card deck How can this also produce a sublime fugue on memory and aging Read it and see Jonathan Lethem author of Motherless Brooklyn and The Fortress of Solitude

**The End, as It Happens to Quade** Randy Dolph,2015-12-09 The whole world has followed the example of Americas new civil war which is fought in the streets now of every nation The unrest the planet then feels turns into something else as nation begins to take on nation When China feels itself truly in harms ways it releases a virus that it has long been working on and smiles as it gives its citizens the antidote When it all backfires the population is reduced from billions to a few hundred thousand spread thinly around the globe The end The apocalypse No zombies No undead terror Now just survival Quade an x Navy SEAL having long ago been thrown into prison for a crime committed in his youth finds his new found freedom all that he thought it would be minus the people of course which suits him just fine He quickly finds however that he has a chance at redeeming the things that went wrong in his youth Getting involved means he could lose his longed for unshackled life but he knows he cannot turn away Soon the loner becomes a part of a small group of survivors one of which hates civilization and all of its scary possibilities Agreeing however their need for supplies outweighs such chance of encounters they enter the outskirts of a large city in the rainy parts of lower Oregon They find a train terminal to use as a base and start their search More decisions must be made as Quade and his new team find a small group of survivors fighting for their place in the twisted world as a large new age cult headed by a man calling himself The Crown bares down on them Quade tries to ignore the groups psychic as they make plans Whatever they are going to do they need to make it fast The train terminal seems to all like a good place to start
