very beginning what it took to be a good mother You will also read how God gave her a premonition that something tragic was going to happen five months before his death She didn't know what it was until a knock came on her door one early morning She opened the door only to see two police officers standing there and one of them was holding her son's driver's license Through all of their years together with his following closely in her footsteps she never could have predicted that Aaron would have had such a short life Kathy and her sons were so close it seemed to her that the sun would shine on them forever One Wednesday evening just as the sun was going down God called Aaron's name Even though she has always been a natural teacher of having faith in God the devastation of losing her son has caused her faith to increase even more You will read how God got her through the lowest stage of her life when no one else was there for her *A Mother In Mourning* is not just for someone who has lost a loved one It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey Yes it is a journey that we all must travel and that will one day make no mistake about it come to an end

rock n roll were all part of the scene It was all fun and games until the Colombians moved in and ruined everything The Sweetwater Bar took over as the West Coast cocaine connection and the Medell n cartel started murdering anyone who stood in their way including police officers The twisting tale of corruption and greed took Murphy into the seedy underworld of a life he came to loathe It was the drugs extortion philandering and a ruined relationship that turned his life into a living hell But somewhere along the way Rooster snapped out of the slump he had fallen into By the late seventies the Colombians had been driven out of Mill Valley and into hiding The Sweetwater Bar had been shut down and top ranking police officials had become the target of a federal RICO investigation A special task force led by Officer Sean Murphy dubbed Rooster by his peers and the FBI went after the bad guys with a vengeance And the dirty cops on the MVPD were on the top of list By 1980 the United States attorney had indicted all of the players in the RICO investigation Colombians and cops But the Colombians and the owner of the Sweetwater Lance Larkin had fled to Bogot and into the arms of the feared drug lord Pablo Valencia Finally in 1982 extradition warrants were issued charging Javier Valencia son of Pablo Valencia and Lance Larkin with racketeering drug dealing and murder But the Colombians reacted violently beheading a Supreme Court justice and vowing to kill everyone connected to the investigation It was trouble all right But when the Colombians crossed the line and kidnapped Rooster s four year old daughter everything changed All bets were off And it didn t take long for the Colombians to become the victims The Elephants Graveyard is the sequel to Rooster A Badge Gun and Heartache
