status of U S citizenship and Americanness become valuable assets outside of the States Offering a corrective to citizenship studies where discussions of inequality are largely limited to domestic frames Altan Olcay and Balta argue that the relationship between inequality and citizenship regimes can only be fully understood if considered transnationally Additionally The American Passport in Turkey demonstrates that U S global power not only reveals itself in terms of foreign policy but also manifests in the active desires people have for U S citizenship even when they do not intend to live in the United States These citizens according to the authors create a new kind of empire with borders and citizen state relations that do not map onto recognizable political territories Fatherhood in the Borderlands Domino Renee Perez,2022-12-06 A contemplative exploration of cultural representations of Mexican American fathers in contemporary media Voyager's Tales Richard Hakluyt,2020-07-16 Reproduction of the original Voyager s Tales by Richard Hakluyt Turkish Migration Conference 2015 Selected Proceedings Ibrahim Sirkeci,Güven Şeker,Ali Tilbe,Mustafa Ökmen,Pınar Yazgan,Deniz Eroğlu,2015 This book is a collection of selected papers presented at the 3rd Turkish Migration Conference TMC TMC 2015 was hosted by Charles University Prague Czech Republic from 25 to 27 June 2015 The TMC 2015 was the third event in the series that we were proud to organise and host at Charles University Prague This selection of papers presented at the conference are only a small portion of contributions Many other papers are included in edited books and submitted to refereed journals in due course There were a total of about 146 papers by over 200 authors presented in 40 parallel sessions and three plenary sessions at Jinonice Campus of Charles University Prague About a f fth of the sessions at the conference were in Turkish language although the main language was English Therefore some of the proceedings are in Turkish too The keynote speakers included Douglas Massey of Princeton University Caroline Brettell of Southern Methodist University and Nedim G rsel of CNRS *Turk's Blessing* Michelle Seman,2023-02-10 Turk is back and this time someone new enters the picture Turk has so many questions Does he get the answers Len is still by Turk s side through thick and thin This Christmas season turns into one big blessing after all the confusion and frustration What could possibly happen next *Reading and Berks County, Pennsylvania* Cyrus T.
