From Asbury University Revival to the Russian Revival: Read about Twenty Revivals of the Twentieth Century G. J. Hocking,2019-12-24 How many countries experienced a religious revival during the 20th century According to this new book on church revival history there were at the very least twenty such revivals occurring in various parts of the world Revival swept from Asbury University Australia through America and across the European continent all within the space of one century Why This Book I wrote The Twentieth Revivals of the Century because there are so many stories that need to be told Stories of sweeping revivals which happened all across the globe Spiritual awakenings that occurred in countries making headlines today sometimes for all the wrong reasons Nations like North Korea s Pyongyang and Japan which incidentally almost became a Christian nation leading up to the twentieth century At this time Christianity began gaining ground at a rapid pace Such was the impact of the revivals covered in this book heading into the twentieth century So can we see a repeat of such revival fervour in the twenty first Century Was the recent Asbury Revival comparable with the one seen there in the 1970s Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about These question although not directly answered will show the the so called Asbury revival was missing two basic ingredients the preaching of the gospel and conversion of the masses
