The Song of Songs Yair Zakovitch, 2018-09-20 The Hebrew Bible is religious literature the fundamental interest of which lies in the relations between humankind especially the people of Israel and God The Song of Songs on the other hand is interested in the relations between men and women In this volume Yair Zakovitch examines the presence of the Song of Songs in the Hebrew Bible and questions how this enigmatic collection of poetic writings came to be within the Bible Zakovitch poses and addresses a range of enticing questions in the eight chapters of this volume including what does this erotic poetry have to do with Israel's formative texts What do the poems tell us about gender relations in those years and about early Israel's attitudes towards beauty love women and sex Do we finally get to hear women's voices in the Song where the rest of the Bible gives a male perspective How despite our astonishment is the Song of Songs nonetheless intrinsically biblical What does it have in common with the Bible's other books Was the allegorical interpretation of the Song just an excuse in order to include the book in Scripture **Song of Songs: An Introduction and Study Guide** J. Cheryl

Exum, 2022-07-14 The Song of Songs also known as the Song of Solomon is an unusual book to find in the Bible As the Bible's only love poem the Song offers a unique picture of relations between the sexes in biblical times Unlike other biblical books it consists entirely of dialogue It looks at love from both a woman's and a man's point of view and shows the reader what love is like exclusively through what lovers say about it There are few issues in Song of Songs interpretation that are not open to debate which makes it a fascinating book to study In this Guide Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the study of the Song of Songs Song of Songs Adele Berlin, 2025-01-07 Berlin approaches the Song of Songs

as a Jewish Hellenistic work of love poetry She notes Greek ideas throughout the book and shows how they have been adjusted into Jewish thought and literary forms Going beyond previous studies this volume emphasizes that the Song's blending of the Jewish and the Greek is part of its literary virtuosity **Poetry in the Song of Songs** Patrick Hunt, 2008 This ground breaking study explores the structure and literary figures in the biblical Hebrew poetry of the Song of Songs These figures include simile metaphor paronomasia parallelism sensory cluster fertility language flowers spices and plants as well as animals and images of wealth and many other literary devices delineated but not limited to how they also appear in classical literature as defined by Aristotle Quintilian and others This biblical poetry is also compared to the Greek poetry of

Sappho and Egyptian love poetry as well as to the Ramayana and the Kamasutra The Song of Songs is discreetly yet firmly interpreted as erotic literature **Women in Ugarit and Israel** Hennie J. Lanci, 2002 In *Texts Rocks and Talk* biblical scholar and teacher John Lanci suggests that many have lost the ability to focus on the essentials to experience a Jesus Christ alive and powerful in our midst He responds by inviting readers on a journey back to the Bible Lanci conveys the experience of interpreting the Bible inviting readers to witness the interpretation of one particular passage from the Hebrew Bible and one from the New Testament from start to finish Along the way he covers some of the same ground that biblical introductions present as he explains what interpreters do and why they do it Readers will gain a deeper understanding of the need to interpret texts and greater confidence in their ability to enter into the conversation that sacred texts provide They will also have a greater confidence in the possibility that their Christian community can open itself up to that divine conversation *Texts Rocks and Talk* can serve as an introduction to the Bible textbook for college undergraduates parish discussion groups or individuals who do not have a lot of theological background but are interested in finding their way into the Bible The chapters are relatively short and clearly written with questions for reflection and discussion Chapters in Preliminaries are Why Take It on the Road What the Bible Is Not and A Preview of Coming Attractions What the Bible Is Chapters in The Song of Songs are Sex on the Page Healthy Suspicion A Walking Staff for Our Journey What is the Book of Love and the Rocks Lifestyles of the Dead and Buried What Archaeology Is and What It Is Not Making the Heart Forget The Love Songs of Ancient Egypt and The Egyptian Love Songs and the Song of Songs The chapter in An Interlude is An Interlude with Jesus and Christ Chapters in
