Song Of The Distant Root:

Latin American Women Writers Kathy S. Leonard, 2007-09-19 There is a wealth of published literature in English by Latin American women writers but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative short stories, novels, novellas, autobiographies, and biographies by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled *Latin American Women Writers: A Resource Guide to Titles in English*. This reference includes all forms of narrative short story, autobiography, novel, novel excerpt, and others by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies, biographies, or other narrative, and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors' Titles of Work, Titles of Work, Authors' Autobiographies, Biographies, and Other Narrative Anthologies, Novels, and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students, and instructors interested in narrative. [A History of Chilean Literature](#) Ignacio López-Calvo, 2021-10-14 This book covers the heterogeneity of Chilean literary production from the times of the Spanish conquest to the present. It shifts critical focus from national identity and issues to a more multifaceted transnational hemispheric and global approach. Its emphasis is on the paradigm transition from the purportedly homogeneous to the heterogeneous. **Folk Horror Revival: Harvest Hymns. Translation Review, 2001 **The Stags Hollow** Emily Wolfe, 2025-02-05 In the heart of the Ghostwood where trees bleed crimson sap and time curdles like spoiled milk a spectral stag rules over a herd of restless spirits Here debts are paid in blood and defiance feeds the shadows Anya Cindyr a werewolf bound to the stag s ghostly herd by a childhood pact she never chose is caught between loyalty to her pack and the stag s unyielding grip Every moonrise the stag s antlered crown pierces her skull transforming her into a shepherd of phantoms Her humanity is a fraying thread her claws carving luminescent trails through the forest s veined undergrowth When Ronan Thorne a botanist with the Heretic King s dormant spirit coursing through his veins stumbles into Anya s nocturnal hunt their collision ignites a chain of events neither can escape Ronan s whispered words You re not its knife You re its regret fracture Anya s resolve awakening a

memory of her mother's lullaby and the stag's roots coiling around their cabin Together they uncover a chilling truth the Heretic King's essence is corrupting the herd twisting ghostly elk into wolf shadow hybrids If his corruption spreads he will merge Anya's pack with his spectral army devouring both realms As Anya and Ronan journey deeper into the Ghostwood they confront the Bone Wives a coven of witches spinning thread from the hair of the dead and Lira Veyne a ghost whose unfinished business binds her to Anya Their alliance is tested by the Heretic King's seductive promises and the stag's tightening chains In the Stag's Hollow a cavern where the forest's memories pulse like trapped fireflies Anya faces an impossible choice let Ronan die and lead the herd to restore the forest or kill the Heretic King by merging his essence with her own becoming a hybrid deity unshackled but eternally alone

Woman's Home Companion, 1928 Developing Zeami Shelley Fenno Quinn, 2005-01-01 The great noh actor theorist and playwright Zeami Motokiyo ca 1363 1443 is one of the major figures of world drama His critical treatises have attracted international attention ever since their publication in the early 1900s His corpus of work and ideas continues to offer a wealth of insights on issues ranging from the nature of dramatic illusion and audience interest to tactics for composing successful plays to issues of somaticity and bodily training Shelley Fenno Quinn's impressive interpretive examination of Zeami's treatises addresses all of these areas as it outlines the development of the playwright's ideas on how best to cultivate attunement between performer and audience Quinn begins by tracing Zeami's transformation of the largely mimetic stage art of his father's troupe into a theater of poesis in which the playwright and actors aim for performances wherein dance and chant are rekeyed to the evocative power of literary memory prosodies and associated auras with the flow of dance and chant led to the creation of a dramatic prototype that engaged and depended on the audience as never before Later chapters examine a performance configuration created by Zeami the nikyoku santai as articulated in his mature theories on the training of the performer Drawing on possible reference points from Buddhist and Daoist thought the author argues that Zeami came to treat the nikyoku santai as a set of guidelines for bracketing the subjectivity of the novice actor thereby allowing the actor to reach a certain skill level or threshold from which his freedom as an artist might begin

Nietzsche Ernst Bertram, 2010-10-01 The only English translation of a crucial interpretation of Nietzsche First published in 1918 Ernst Bertram's Nietzsche Attempt at a Mythology substantially shaped the image of Nietzsche for the generation between the wars It won the Nietzsche Society's first prize and was admired by luminous contemporaries including Andr Gide Hermann Hesse Gottfried Benn and Thomas Mann Although translated into French in 1932 the book was never translated into English following the decline of Nietzsche's and Bertram's reputations after 1945 Now with Nietzsche's importance for twentieth century thought undisputed the work by one of his most influential interpreters can at last be read in English Employing a

perspectival technique inspired by Nietzsche himself Bertram constructs a densely layered portrait of the thinker that shows him riven by deep and ultimately irresolvable cultural historical and psychological conflicts At once lyrical and intensely probing richly complex yet thematically coherent Bertram's book is a masterpiece in a forgotten tradition of intellectual biography
