Speak Low When You Speak The Letters Of:

Speak Low (When You Speak Love) Kurt Weill,1997-11-01 Selected letters trace the relationship of the composer and actress who were married for twenty four years **Walt Whitman and Modern Music** Lawrence Kramer,2018-12-07 Walt Whitman s poetry especially his Civil War poetry attracted settings by a wide variety of modern composers in both English and German speaking countries The essays in this volume trace the transformation of Whitman s nineteenth century texts into vehicles for confronting twentieth century problems aesthetic social and political The contributors pay careful attention to music and poetry alike in examining how the Whitman settings become exemplary means of dealing with both the tragic and utopian faces of modernism The book is accompanied by a recording by Joan Heller and Thomas Stumpf of complete Whitman cycles composed by Kurt Weill George Crumb and Lawrence Kramer and the first recording of four Whitman songs composed in the 1920s by Marc Blitzstein *The Partnership* Pamela Katz,2015-12-08 This fascinating portrait of two of the most brilliant theater artists of the twentieth century and the women who made their work possible is set against the explosive years of the Weimar Republic Among the most outsized personalities of the sizzling decadent period between the Great War and the Nazis rise to power were the renegade poet Bertolt Brecht and the avant garde composer Kurt Weill These two young geniuses and the three women vital to their work actresses Lotte Lenya and Helene Weigel and writer Elisabeth Hauptmann joined talents to create the theatrical masterworks *The Threepenny Opera* and *The Rise and Fall of the City of Mahagonny* only to split in rancor as their culture cracked open and their differences became irreconcilable *The Partnership* is the first book to tell the full story of one of the most important creative collaborations of the last century and the first to give full credit to the women who contributed their enormous gifts Theirs is a thrilling story of artistic daring entwined with sexual freedom during the Weimar Republic s most fevered years a time when art and politics and society were inextricably mixed **Love Song** Ethan Mordden,2025-10-16 Noted historian of the Broadway musical chronicles the braided lives of two of the twentieth century s most influential artists For the first time Ethan Mordden chronicles the romance of Kurt Weill and Lotte Lenya in *Love Song* a dual biography that unfolds against the background of the tumultuous twentieth century scored to music from Weill s greatest triumphs *Knickerbocker Holiday* *Lost in the Stars* *Lady in the Dark* *Happy End* *One Touch of Venus* and *The Rise and Fall of the City of Mahagonny* The romance of Weill the Jewish cantor s son and Lenya the Viennese coachman s daughter changed the history of Western music With Bertolt Brecht they created one of the definitive works of the twentieth century *The Threepenny Opera* a smash that would live on in musical theatre history Weill the jazz Mozart was the creator whose work is backstage unseen Lenya his epic theatre femme fatale was the performer who put the work into view They heard the same unique music but he gave it form while she gave it life *Love Song* is ultimately the story of a great romance scored to some of the twentieth century s greatest music Marc Blitzstein Leonard Lehrman,2005-09-30 Marc Blitzstein was one of the 20th century s most important American composers lyricists

and critics often credited with having virtually invented opera in the American vernacular. Called the father of American opera in the vernacular by luminaries Aaron Copland and Leonard Bernstein, Blitzstein was a masterful pianist, coach, and accompanist, though ironically he made more money on the lyrics to one song, "Mack the Knife," than on everything else he ever did. Blitzstein's brilliant career was cut short in 1964 when he died at the age of 58. This book catalogs Blitzstein's own writings and writings about him, followed by detailed listings, chronological, alphabetical, and genre analysis, a comprehensive performance history, and summaries of all known critiques of his 128 original musical works and 18 texts set to the music of others. Shown in detail are the ways in which Blitzstein took music from his earlier works and developed it in later works, a process that Lehrman utilized in completing with Bernstein's and the Estate's approval 20 Blitzstein works for performance, including *The Cradle Will Rock*, *I've Got the Tune*, *No for an Answer*, *Idiot's First*, and *Sacco and Vanzetti*, which Blitzstein believed would be his magnum opus. The book provides a unique and full perspective on the works of one of America's greatest composers, one who deserves to be better known.

More Lives than One: A Biography of Hans Fallada Jenny Williams, 2012-02-02 Hans Fallada was a drug addict, womanizer, alcoholic, jailbird, and thief. Yet he was also one of the most extraordinary storytellers of the twentieth century, whose novels, including *Alone in Berlin*, portrayed ordinary people in terrible times with a powerful humanity. This acclaimed biography, newly revised and completely updated, tells the remarkable story of Hans Fallada, whose real name was Rudolf Ditzen. Jenny Williams chronicles his turbulent life as a writer, husband, and father, shadowed by mental torment and long periods in psychiatric care. She shows how Ditzen's decision to remain in Nazi Germany in 1939 led to his self-destruction but also made him a unique witness to his country's turmoil. *More Lives Than One* unpicks the contradictory, flawed, and fascinating life of a writer who saw the worst of humanity yet maintained his belief in the decency of the little man.

Show Tunes Steven Suskin, 2010-03-09 *Show Tunes* fully chronicles the shows, songs, and careers of the major composers of the American musical theatre, from Jerome Kern's earliest interpolations to the latest hits on Broadway. Legendary composers like Gershwin, Rodgers, Porter, Berlin, Bernstein, and Sondheim have been joined by more recent songwriters like Stephen Schwartz, Stephen Flaherty, Michael John LaChiusa, and Adam Guettel. This majestic reference book covers their work, their innovations, their successes, and their failures. *Show Tunes* is simply the most comprehensive volume of its kind ever produced, and this newly revised and updated edition discusses almost 1,000 shows and 9,000 show tunes. The book has been called a concise skeleton key to the Broadway musical. *Variety* and a ground-breaking reference work with a difference. *Show Music*, or as the *Washington Post* observed, "It makes you sing and dance all over your memory." The eagerly anticipated Fourth Edition, updated through May 2009, features the entire theatrical output of forty of Broadway's leading composers, in addition to a wide selection of work by other songwriters. The listings include essential production data and statistics, the most extensive information available on published and recorded songs, and lively commentary on the shows, songs, and diverse careers. Based on meticulous research, the book also uncovers dozens of lost

musicals including shows that either closed out of town or were never headed for Broadway and catalogs hundreds of previously unknown songs including a number of musical gems that have been misplaced cut or forgotten

Informative insightful and provocative Show Tunes is an essential guide for anyone interested in the American musical

DIV The Films of Fritz Lang Tom Gunning, 2019-07-25

In this volume Tom Gunning examines the films of Fritz Lang not only as a stylistically coherent body of work but as an attempt to portray the modern world through cinema The world of modernity in which systems replace individuals is conveyed by Lang s mastery of cinematic set design composition and editing Lang presents not only a decades long vision of cinematic narrative which can be compared to that of Alfred Hitchcock or Jean Renoir but a view of modernity that relates strongly to the ideas of Adorno Brecht Benjamin and Kracauer From the sweeping allegorical films of the 20s to the chilly and abstract thrillers of the 50s Lang s films Gunning claims are among the most precious records of the twentieth century The Films of Fritz Lang immeasurably enriches our understanding of a great artist and in so doing reimagines what a film arlist is an author who fades away even in being recognised and interpreted an enigmatic figure at the junction of aesthetics history biography and theory
