

Husserlian Phenomenology of Meaning : Across Language Boundaries

VERONICA CIBOTARU

INTRODUCTION

The aim of this paper is to investigate whether Husserl's theory of meaning can be applied to all human, natural languages, and if so, whether it can be considered as being universal. Husserl's theory of meaning of linguistic expressions is supposedly valid for all possible natural languages since it aims to discover the "*a priori* laws which determine the possible forms of meaning" as Husserl argues at the beginning of the fourth chapter of the *Logical Investigations*. I would like to examine whether Husserl's analysis and results, which he considers as being *a priori*, can be universalized to all human languages and whether, contrary to what Husserl claims, they are not indeed implicitly dependent on an empirical, *a posteriori* presupposition, which is the presupposition of one certain type of language that is characteristic of European languages.

My approach consists in juxtaposing Husserl's theory of meaning with an analysis of meaning modalities of languages that use ideograms, as for instance Chinese or Japanese. For this purpose I will draw mainly on the *Logical Investigations* since we find in this work the groundings on his theory of meaning. As I will show, the theory of meaning of *Logical Investigations* is based on a distinction between meaningful expression and expression considered as a pure sensitive phenomenon. Yet, this distinction appears to be less obvious in languages that use ideograms. In the *Logical Investigations* the simplest meaning unity is considered to be a linguistic expression (*Ausdruck*) that is not composed and cannot be divided in other expressions, but only to "sounds and syllables". Those sounds and syllables are not signifying parts of the expression but "parts of the expression as sensitive phenomenon". This distinction between expression as meaning unity and expression as a sensitive phenomenon is crucial since meaning arises through what Husserl calls an "essential phenomenal modification" (*wesentliche phänomenale Modifikation*) of a sensitive phenomenon.

However, when we consider linguistic expressions, i.e. words that are formed with ideograms, we realize that the distinction between meaning expression and sensitive phenomenon becomes less obvious since they are mostly formed by means of several ideograms which are not simple sounds or letters. Thus, they are not mere sensitive phenomena, but possibilities of meaning. Can we thus still describe the way those types of languages signify through Husserl's phenomenology of meaning? Or does it suggest that we would need to search for a different type of phenomenology? In order to answer this question, I will first show the main characteristics and principles of Husserl's theory of meaning. Then I will juxtapose Husserl's theory with the signifying modus of languages that are based on ideograms and show why they cannot be described through the strict framework of Husserlian phenomenology of meaning. Finally, I will suggest how we could describe phenomenologically the way those languages signify, and examine if we could, for this purpose, still take some elements of the Husserlian phenomenology of meaning though in a reconsidered way.

THE FUNDAMENTAL PRINCIPLES OF HUSSERL'S PHENOMENOLOGY OF MEANING

One of the most fundamental grounds of Husserl's theory of meaning¹ can be found in the ninth paragraph of the first part of *Logical Investigations* called "The phenomenological distinctions between the phenomenon of physical expression, the meaning-conferring and meaning-fulfilling act".² Husserl

¹ By talking in the context of this work of a Husserlian theory of meaning we do not refer to meaning as such, which is, as Husserl shows it in the *Postscriptum* of the *Logical Investigations*, an ideal entity independent of consciousness, but rather to the relationship of consciousness to meaning, i.e., to the way words acquire meaning for consciousness.

² Husserl uses in this work the German notion of *Bedeutung* for the concept of meaning. However, starting from his lessons about the theory of meaning from 1908 and the *Ideen I* (par. 12-4), he clearly distinguishes *Bedeutung* from *Sinn* (sense), maintaining however in its fundamental lines the meaning of the concept of *Bedeutung* which he develops in the *Logical Investigations*. For our present study it is the concept of *Bedeutung* which is of interest since it allows us to understand how language conveys meaning, while the concept of *Sinn* is situated already on an extra-linguistic ground since it allows us to understand how meaning grounds every concrete act of perception.

Speaking And Meaning The Phenomenology Of Language

James M. Edie

Speaking And Meaning The Phenomenology Of Language:

Speaking and Meaning James M. Edie, 1976 **Speaking and Semiology**, 1991 No detailed description available for Speaking and Semiology Proto-Phenomenology, Language Acquisition, Orality and Literacy Lawrence J. Hatab, 2019-10-25 Through his innovative study of language noted Heidegger scholar Lawrence Hatab offers a proto phenomenological account of the lived world the first world of factual life where pre reflective immediate disclosiveness precedes and makes possible representational models of language Common distinctions between mind and world fact and value cognition and affect miss the meaning laden dimension of embodied practical existence where language and life are a matter of dwelling in speech In this second volume Hatab supplements and fortifies his initial analysis by offering a detailed treatment of child development and language acquisition which exhibit a proto phenomenological world in the making He then takes up an in depth study of the differences between oral and written language particularly in the ancient Greek world and how the history of alphabetic literacy shows why Western philosophy came to emphasize objective representational models of cognition and language which conceal and pass over the presentational domain of dwelling in speech Such a study offers significant new angles on the nature of philosophy and language *Signs* Maurice Merleau-Ponty, 1964 Merleau Ponty was one of the few philosophers of today who never lost contact with brute reality and it may be that Signs will be read with regret in bringing to mind his untimely death yet with gratitude for the humanity and depth of philosophical insight into the world of lived reality which it offers Journal of Individual Psychology Speaking and Semiology Richard L. Lanigan, 2013-02-06 No detailed description available for Speaking and Semiology *The Merleau-Ponty Dictionary* Donald A. Landes, 2013-06-06 Maurice Merleau Ponty 1908 1961 is one of the central figures of 20th century Continental philosophy and his work has been hugely influential in a wide range of fields His writings engage in the study of perception language politics aesthetics history and ontology and represent a rich and complex network of exciting ideas The Merleau Ponty Dictionary provides the reader and student of Merleau Ponty with all the tools necessary to engage with this key thinker a comprehensive A to Z that provides summaries of all his major texts and articles clear and straightforward explanations of his terminology and innovative concepts and detailed discussions of the figures and philosophies that influenced his work The book also includes a philosophical introduction a chronology of Merleau Ponty s life and works and suggestions for further reading This dictionary is the ideal reading and research companion for students at all levels The Collected Works of Edward Schillebeeckx Volume 5 Edward Schillebeeckx, 2014-09-25 *The Understanding of Faith* 1974 is certainly Schillebeeckx s most incisive English publication on theological hermeneutics It contains his principal ideas on this subject in which he progressively evolved the hermeneutic thinking that he was to apply in due course in his famous Jesus books The book centres on two issues how should the Christian message of God s kingdom be read in our day and age and can a present day interpretation of that message still be considered Christian In short what are the possibilities and limits of the

understanding of faith in our modern age Of course hermeneutics as such was not new to Christian theology Exegetes had been exploring interpretive processes for some time Schillebeeckx's innovation was to extend hermeneutic thinking to the possibilities and limits of interpreting the entire Christian tradition including its definition in systematic theology Inspired by the early Jürgen Habermas's new critical theory Schillebeeckx also expands criticism of ideology in various directions This was to influence generations of theologians after him right up to the present day

Phenomenological Approaches to Popular Culture Michael Thomas Carroll, Eddie Tafoya, 2000 Within popular culture studies one finds discussions about quantitative sociology Marxism psychoanalysis myth criticism feminism and semiotics but hardly a word on the usefulness of phenomenology the branch of philosophy concerned with human experience In spite of this omission there is a close relationship between the aims of phenomenology and the aims of popular culture studies for both movements have attempted to redirect academic study toward everyday lived experience The fifteen essays in this volume demonstrate the way in which phenomenological approaches can illuminate popular culture studies and in so doing they take on the entire range of popular culture

Merleau-Ponty Rosalyn Diprose, Jack Reynolds, 2014-12-05 Having initially not had the attention of Sartre or Heidegger Merleau-Ponty's work is arguably now more widely influential than either of his two contemporaries Merleau-Ponty Key Concepts presents an accessible guide to the core ideas which structure Merleau-Ponty's thinking as well as to his influences and the value of his ideas to a wide range of disciplines The first section of the book presents the context of Merleau-Ponty's thinking the major debates of his time particularly existentialism phenomenology the history of philosophy and the philosophy of history and society The second section outlines his major contributions and conceptual innovations The final section focuses upon how his work has been taken up in other fields besides philosophy notably in sociology cognitive science health studies feminism and race theory

Metalinguage and Identity David Evans, Manel Herat, 2025-09-18 How does language attain to rear view reflection and then timeless analysis How does language garner its conceptualisation in order to do this This book is an exploration of the process in which everyday narrative language can become reflective and then analytical Narrative language is viewed as a way of becoming within the flow of time and therefore life Evans and Herat show that there are levels in language that correspond with conceptual structures existing in the mind and in wider society which shape the formation of a metalanguage They explore how metaphor is an important creative tool in raising language to a more conceptual level in the constitution of a metalanguage The book considers the development of different strands of metalanguage for example mind based logic physically based metaphor and universal grammar to provide a fuller account of language and identity by challenging sweeping existential accounts of language By studying the formation and application of metalanguage the authors show it can help develop a more questioning dialogic critical pedagogy in education to accustom students to develop critical awareness

Speaking And Meaning The Phenomenology Of Language Introduction

In today's digital age, the availability of Speaking And Meaning The Phenomenology Of Language books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Speaking And Meaning The Phenomenology Of Language books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Speaking And Meaning The Phenomenology Of Language books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Speaking And Meaning The Phenomenology Of Language versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Speaking And Meaning The Phenomenology Of Language books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Speaking And Meaning The Phenomenology Of Language books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Speaking And Meaning The Phenomenology Of Language books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Speaking And Meaning The Phenomenology Of Language books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Speaking And Meaning The Phenomenology Of Language books and manuals for download and embark on your journey of knowledge?

FAQs About Speaking And Meaning The Phenomenology Of Language Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Speaking And Meaning The Phenomenology Of Language is one of the best book in our library for free trial. We provide copy of Speaking And Meaning The Phenomenology Of Language in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Speaking And Meaning The Phenomenology Of Language. Where to download Speaking And Meaning The Phenomenology Of Language online for free? Are you looking for Speaking And Meaning The Phenomenology Of Language PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Speaking And Meaning

The Phenomenology Of Language. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Speaking And Meaning The Phenomenology Of Language are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Speaking And Meaning The Phenomenology Of Language. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Speaking And Meaning The Phenomenology Of Language To get started finding Speaking And Meaning The Phenomenology Of Language, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Speaking And Meaning The Phenomenology Of Language So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Speaking And Meaning The Phenomenology Of Language. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Speaking And Meaning The Phenomenology Of Language, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Speaking And Meaning The Phenomenology Of Language is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Speaking And Meaning The Phenomenology Of Language is universally compatible with any devices to read.
