The Treatment of Pain with Chinese Herbs and Acupuncture E-Book Peilin Sun, 2010-09-08 This new edition of The Treatment of Pain with Chinese Herbs and Acupuncture gives a thorough and analytical review of the diagnosis and treatment options for pain using acupuncture with Chinese herbal medicine Based on the clinical experience of the author and supported by that of acupuncturists in Chinese universities it offers a comprehensive and detailed set of treatments for a wide variety of pain symptoms and conditions and includes detailed modifications of the treatments to aid clinical practice Although pain syndromes are often complicated involving both psychological and physical difficulties resulting in sometimes hesitation in deciding a correct treatment there are still some short cut ways to achieve a successful result Therefore the essential intentions of the authors are very clear To demonstrate the practitioners how to differentiate the clinical situations and how to establish the corresponding treatments To illustrate how to apply Chinese herbs logically and how to consist an acupuncture prescription reasonably and effectively Features Thorough exploration of the aetiologies and pathologies for pain in the context of Traditional Chinese Medicine Clear discussion of the principles of treatment acupuncture point selection and combination Detailed explanation of herbal and acupuncture treatments for common and complex pain conditions Deals comprehensively with the commonest clinical presenting symptoms Provides treatment plans and modifications to these plans offering more options for the practitioner Includes detailed and useful case histories New to this edition New chapter on treatment of pain in children Separate sections for the gynecologic conditions Includes Western named conditions Red Flags for practitioners to indicate situations which are potentially life threatening or dangerous Suggested treatments now include acupuncture as well as herbal treatments Following on from each treatment a prognosis is now provided Thorough exploration of the aetiologies and pathologies for pain in the context of Traditional Chinese Medicine Clear discussion of the principles of treatment acupuncture point selection and combination Detailed explanation of herbal and acupuncture treatments for common and complex pain conditions Deals comprehensively with the commonest clinical presenting symptoms Provides treatment plans and modifications to these plans offering more options for the practitioner Includes detailed and useful case histories New chapter on treatment of pain in children Separate sections for the gynecologic conditions Includes Western named conditions Red Flags for practitioners to indicate situations which are potentially life threatening or dangerous Suggested treatments now include acupuncture as well as herbal treatments Following on from each treatment a prognosis is now provided Hate Speech and Democratic Citizenship Eric

Heinze, 2016 Most modern democracies punish hate speech Less freedom for some they claim guarantees greater freedom for others Heinze rejects that approach arguing that democracies have better ways of combatting violence and discrimination against vulnerable groups without having to censor speakers Critiquing dominant free speech theories Heinze explains that free expression must be safeguarded not just as an individual right but as an essential attribute of democratic citizenship The book challenges contemporary state regulation of public discourse by promoting a stronger theory of what democracy is and what it demands Examining US European and international approaches Heinze offers a new vision of free speech within Western democracies
