thought The perennial nature of such questions in modern society makes the poem as relevant to contemporary issues in religious thought today as when it was written For all its simplicity it is the argument of the book that it makes an abiding contribution to human self understanding **Speaking from the Heart** Marcia Wilson,2014-05-31 When we speak from the heart people listen Speaking to the Heart Dennis Gillett,2015 **Speaking to the Heart** April S Yarber,2019-11-12

Where do we get food to nourish our souls Gods living word the Holy Bible is our daily bread If we want to be spiritually healthy we should read and soak up his words They are His living words and also provide us protection As we read and put on His whole armor before heading out each day we armor up helping to keep us spiritually prepared for whatever the day holds Has God ever put something on your heart something that you know you should be doing For me although I m finished with this devotional this is the beginning of my new life s journey of letting his words in verses and text from the bible pour into my spirit There is really something to the power found within his words I have experienced a new peace in my life so thankful am I for this journey Spending time with the Lord and reading through verses and writing each day has made a difference in my life and I can say I m better for it I hope whoever you are if this finds its way to you it will help create in you a thirst for our Father our Savior our Lord Jesus Christ And I pray whenever he speaks whatever he speaks to your heart that you would be able to hear his words with clarity and walk on his paths of truth for your life Every good and perfect gift comes from the Lord
