## Speaking Of Writing:

Speaking of Writing: A Brief Rhetoric Allegra Goodman, Michael Prince, 2019-08-08 Can a writing textbook inform and entertain Can a very brief rhetoric also function as a stand alone guide to college writing Yes and yes Speaking of Writing is a concise yet comprehensive rhetoric with readings Informed by scholarship in Writing Studies this book follows four college students from diverse backgrounds as they face the challenges of reading writing and critical thinking in first year writing and across the disciplines Each chapter engages students in relatable often humorous scenarios that focus on key challenges Through its story based approach Speaking of Writing enacts student centered and process based pedagogy showing students learning to address fundamental questions How can I apply my own strategies for success to new assignments How can I maintain my own voice when asked to compose in an academic style What do college professors mean by a thesis and how is this different from what my high school teachers meant Why is this argument weak and how can I make it stronger The book s narrative vividly dramatizes a draft and revision process that includes instructor feedback peer review and careful research

*The Maya Art of Speaking Writing* Tiffany D. Creegan Miller, 2022-05-24 Challenging the distinctions between old and new media and narratives about the deprecation of orality in favor of inscribed forms The Maya Art of Speaking Writing draws from Maya concepts of tz'ib recorded knowledge and tz'ij ch'ol'oj and ch'ow'en orality to look at expressive work across media and languages Based on nearly a decade of fieldwork in the Guatemalan highlands Tiffany D Creegan Miller discusses images that are sonic pictorial gestural and alphabetic She reveals various

forms of creativity and agency that are woven through a rich media landscape in Indigenous Guatemala as well as Maya diasporas in Mexico and the United States Miller discusses how technologies of inscription and their mediations are shaped by human editors translators communities and audiences as well as by voices from the natural world These texts push back not just on linear and compartmentalized Western notions of media but also on the idea of the singular author creator scholar or artist removed from their environment The persistence of orality and the interweaving of media forms combine to offer a challenge to audiences to participate in decolonial actions through language preservation The Maya Art of Speaking Writing calls for centering Indigenous epistemologies by doing research in and through Indigenous languages as we engage in debates surrounding Indigenous literatures anthropology decoloniality media studies orality and the digital humanities
