Breitborde, 2011-06-24 No detailed description available for Speaking and Social Identity Speak Not James Griffiths, 2021-10-21 A New Yorker Best Book of 2022 A Globe Mail Book of the Year A stimulating work on the politics of language LA Review of Books As globalisation continues languages are disappearing faster than ever leaving our planet's linguistic diversity leaping towards extinction The science of how languages are acquired is becoming more advanced and the internet is bringing us new ways of teaching the next generation however it is increasingly challenging for minority languages to survive in the face of a handful of hegemonic super tongues In Speak Not James Griffiths reports from the frontlines of the battle to preserve minority languages from his native Wales Hawaii and indigenous American nations to southern China and Hong Kong He explores the revival of the Welsh language as a blueprint for how to ensure new generations are not robbed of their linguistic heritage outlines how loss of indigenous languages is the direct result of colonialism and globalisation and examines how technology is both hindering and aiding the fight to prevent linguistic extinction Introducing readers to compelling characters and examining how indigenous communities are fighting for their languages Griffiths ultimately explores how languages hang on what happens when they don't and how indigenous tongues can be preserved and brought back from the brink **Image and Territory** Monique Tschofen, Jennifer Burwell, 2006-10-01 In a culture that often understands formal experimentation or theoretical argument to be antithetical to pleasure Atom Egoyan has nevertheless consistently appealed to wide audiences around the world If films like *The Adjuster* *Calendar Exotica* and *The Sweet Hereafter* have ensured him international cult status as one of the most revered of all contemporary directors Egoyan's forays into installation art and opera have provided evidence of his versatility and confirmed his talents *Image and Territory* Essays on Atom Egoyan is both scholarly and accessible Indispensable for the scholar student and fan this collection of new essays and interviews from leading film and media scholars unpacks the central arguments tensions and paradoxes of his work and traces their evolution It also locates his work within larger intellectual and artistic currents in order to consider how he takes up and answers critical debates in politics philosophy and aesthetics Most importantly it addresses how his work is both intellectually engaging and emotionally moving **Bookwise** Sharon Parsons, 2001 With a balance of fiction and non-fiction text types and genres *Bookwise* is carefully graded and organised into five cross-curricular strands encouraging links to other subjects The full-colour readers are accompanied by Teacher's Guides

and Resource Sheets to help you get the most out of your Guided Reading and Writing sessions *Complete IELTS Bands 5-6.5 Students Pack Student's Book with Answers with CD-ROM and Class Audio CDs (2)* Guy Brook-Hart, Vanessa Jakeman, 2012-01-19 This course is to prepare students for the IELTS test at an intermediate level B2 It is designed to introduce students to the critical thinking required for the IELTS and provide strategies and skills to maximise their score in all parts of the test *The Politics of Ethnic Survival* Gary B. Cohen, 2006 This book examines how one of Imperial Austria's principal ethnic conflicts that between Czechs and Germans developed in one of the major cities during the era of industrialization and urban growth It shows how the inhabitants of Prague the capital of Bohemia constructed and articulated ethnic group loyalties and social solidarities over the course of the nineteenth century The German speaking inhabitants of the Bohemian capital developed a group identification and defined themselves as a minority as they dealt with growing Czech political and economic strength in the city and with their own sharp numerical decline in the 1910 census only seven percent of the metropolitan population claimed that they spoke primarily German The study uses census returns extensive police and bureaucratic records newspaper accounts and memoirs on local social and political life to show how the German minority and the Czech majority developed demographically and economically in relation to each other and created separate social and political lives for their group members The study carefully traces the roles of occupation class religion and political ideology in the formation of German group loyalties and social solidarities The social relations which bound together the members of the German speaking minority and the social boundaries which separated them from the Czech majority at the end of the nineteenth century proved to be selective and considerable contact went on across the lines in many facets of individuals everyday life As the German minority developed a shared group life what came to define them and to separate them from the Czech majority was a shared Austro German ethnic and national loyalty an Austro German national liberal ideology the defense of common middle class and lower middle class social and political interests and a shared German public life Both German speaking Catholics and Jews could share in the sense of German community and group solidarity provided they upheld middle class liberal values The bonds of community for the middle class and lower middle class Germans in Prague established in the 1860s tended to exclude German speaking wage laborers and lower middle class radical nationalists who might challenge liberal national values Despite all the efforts to strengthen German community solidarity and combat assimilation of German speakers with the Czech majority from the 1880s to after 1900 the organized German community could do little to prevent the absorption of working class German speakers into the Czech population of the industrial districts *Community Nursing and Primary Healthcare in Twentieth-Century Britain* Helen M. Sweet, with Rona Dougall, 2007-12-12 This book looks at community nursing history in Great Britain during the twentieth century to examine the significant changes affecting the nurse's work on the district including compulsory registration for general nursing changes in organisation training conditions of service and workload
