Archival Storytelling: A Filmmaker's Guide to Finding, Using, and Licensing Third-Party Visuals and Music Sheila Curran Bernard, Kenn Rabin, 2012-07-26 Archival Storytelling is an essential pragmatic guide to one of the most challenging issues facing filmmakers today the use of images and music that belong to someone else Where do producers go for affordable stills and footage How do filmmakers evaluate the historical value of archival materials What do v rit producers need to know when documenting a world filled with rights protected images and sounds How do filmmakers protect their own creative efforts from infringement Filled with advice and insight from filmmakers archivists film researchers music supervisors intellectual property experts insurance executives and others Archival Storytelling defines key terms copyright fair use public domain orphan works and more and challenges filmmakers to become not only archival users but also archival and copyright activists ensuring their ongoing ability as creators to draw on the cultural materials that surround them Features conversations with industry leaders including Patricia Aufderheide Hubert Best Peter Jaszi Jan Krawitz Lawrence Lessig Stanley Nelson Rick Prelinger Geoffrey C Ward and many others *Encyclopedia of journalism. 6. Appendices* Christopher H. Sterling, 2009-09-25 The six volume Encyclopedia of Journalism covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court cases ownership and economics **The Routledge Companion to American Journalism History** Melita M. Garza, Michael Fuhlhage, Tracy Lucht, 2023-09-20 The Routledge Companion to American Journalism History revisits media history across forms formats and multiple fault lines including gender ethnicity race and citizenship status Original contributions highlight areas of journalism history in desperate need of further treatment with a special focus on diversity equity and accountability Sections cover the early origins and development of journalism in the United States pivotal moments and personalities in various strands of journalism underrepresented groups and formats in journalism history and key issues in doing journalism history Authors aim to fill in the gaps left by traditional historical narratives by examining overlooked subjects such as labor reporting and overdue theoretical perspectives such as intersectionality Collectively the voices in this book offer a more inclusive paradigm for the field Written by a range of recognized journalism scholars both well established and emerging this collection offers a thought provoking starting point for researchers and advanced students seeking a critical understanding of American journalism history as conceived in the current era **Journalism** Jo A. Cates, 2004-05-30 Journalism A Guide to the Reference Literature is a critically annotated bibliographic guide to print and electronic sources in print and broadcast journalism The first edition was published in 1990 the second in 1997 It has been described as one of the critical reference sources in journalism today and it is a key bibliographic guide to the literature Choice magazine called it a benchmark publication for which there are no comparable sources The format is similar to the second edition What makes this edition significantly different is the separation of Commercial Databases and Internet Resources Commercial Databases includes

standard fee based resources The new chapter on Internet sources features Web based resources not included in the commercial databases chapter as well as portals other online files listservs newsgroups and Web logs blogs All chapters have been revised and there are significant revisions in Directories Yearbooks and Collections Miscellaneous Sources Core Periodicals Societies and Associations and Research Centers and Archives The second edition has 789 entries The third edition contains almost 1 000 entries James Carey of Columbia University who provided the foreword for the first two editions has updated his foreword for this edition

The Archivability of Television Lauren Bratslavsky, Elizabeth Peterson, 2025-06-01 This anthology critically evaluates archives and archival processes that collect order and preserve elements of television as historically culturally socially politically and economically significant material What do we know about how television moved from ephemeral broadcasts and mounds of paperwork documenting bureaucratic and creative processes to become historical material housed in archives This book's guiding principles are to interrogate where television as historical material lives and to collect the stories of some ways television preservation has been and continues to be deeply circumstantial and idiosyncratic Bringing together work by academics archivists and practitioners the book offers insights into the archival processes that confer television programs with historical value With a focus on television's archival spaces the book contributes more broadly to theories histories and practices of archiving Likewise the theories and questions about archives provide insights into the specificities of the medium the relations between technologies and culture the political economy of the culture industries and the minutiae of television's place in American society

Into the Fray Tom Mascaro, 2012-09-30 From 1961 to 1989 a committed group of documentary journalists from the National Broadcasting Company NBC reported the stories of America's overseas conflicts Stuart Schulberg supplied film evidence to prosecute Nazi war criminals and established documentary units in postwar Berlin and Paris NBC newsman David Brinkley created the template for prime time news in 1961 and bore the scars to prove it In 1964 Ted Yates and Bob Rogers produced a documentary warning of the pitfalls in Vietnam Yates was later shot and killed in Jerusalem on the first day of the Six Day War while producing a documentary for NBC News In *Into the Fray* Tom Mascaro vividly recounts the characters and experiences that helped create a unique colorful documentary film crew based at the Washington bureau of NBC News From the Kennedy era through the Reagan years the journalists covered wars rebellions the Central Intelligence Agency covert actions the Pentagon military preparedness and world and American cultures They braved conflicts and crises to tell the stories that Americans needed to see and hear and in the process they changed the face of journalism Mascaro also looks at the social changes in and around the unit itself including the struggles and triumphs of women and African Americans in the field of television documentary *Into the Fray* is the story of adventure loyalty to reason and life and death in the service of broadcast journalism
