Speck In Your Brothers Eye:

The Speck in Your Brother's Eye Ron Hembree, 1985 As a Christian you may have experienced the pain of getting kicked by a well meaning brother or sister when you needed consolation and kindness shows how differences in doctrinal beliefs and denominational practices result in a lack of love and compassion and hinder God's work in our lives Ron Hembree digs deeply into the teaching of the New Testament to point out problems that are still evident in our churches today and offers relevant effective solutions that were first offered by Jesus Christ Paul and the Apostles will enable you to fellowship with those who express their faith in a different manner and reach out in unity to those who need to experience the love of Christ back cover summary

The Intimidation Factor Charles Redfern, 2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement's partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement's height in the 1970s then views evangelicalism's decay across its spectrum He doesn't spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so Building
