Speech Fundamentals Contemporary Approach Workbook And Study Guide:

Job: An Introduction and Study Guide Katharine J. Dell, 2017-01-12 In the light of dramatic new interpretative approaches to the Bible this guide to Job follows not only a range of new approaches to the text but also addresses the traditional historical questions and other topical issues Dell particularly highlights the problem of genre in understanding Job She shows how problematic the term wisdom is for this unique book and argues that its radical sentiments earn it rather the title of parody Of all the biblical books it comes closest to tragedy raising profound questions about its nature and place in the biblical canon Job's relationship to its ancient Near Eastern counterparts notably in ancient Mesopotamia are also closely examined and key theological themes that characterize the book are explored Finally different approaches feminist liberationist ecological and psychological are outlined so as to illuminate and inform our own personal readings and generate ever fresh understandings of this enigmatic text Study Guide for Essentials for Nursing Practice - E-Book Patricia A.

The Speeches of Micah Charles S. Shaw, 1993-11-01 In this important book Shaw deploys a rigorous and systematic rhetorical analysis in the service of a reconstruction of the historical setting of each of the discourses in Micah Unlike Muilenburg's rhetorical criticism this approach focuses on the persuasiveness of the discourses the means by which the author achieves his goal Among Shaw's tools is the concept of the rhetorical situation It involves not only the question of the identity of the narratees but also objective factors like events conditions and attitudes to which the discourse responds and subjective factors like the speaker's own view of the situation For each discourse the author analyses its goals and strategy determining the structure of the speeches the function of each part in the persuasiveness of the speech the kinds of proof and the style utilized in order to achieve the author's goals *Catalog of Copyright Entries.
