Speech For The Stage:

Speech for the Stage ,1980 *Stage Fright* Martin Puchner,2003-04-01 Grounded equally in discussions of theater history literary genre and theory Martin Puchner's *Stage Fright* Modernism Anti Theatricality and Drama explores the conflict between avant garde theater and modernism While the avant garde celebrated all things theatrical a dominant strain of modernism tended to define itself against the theater valuing lyric poetry and the novel instead Defenders of the theater dismiss modernism's aversion to the stage and its mimicking actors as one more form of the old anti theatrical prejudice But Puchner shows that modernism's ambivalence about the theater was shared even by playwrights and directors and thus was a productive force responsible for some of the greatest achievements in dramatic literature and theater A reaction to the aggressive theatricality of Wagner and his followers the modernist backlash against the theater led to the peculiar genre of the closet drama a theatrical piece intended to be read rather than staged whose long overlooked significance Puchner traces from the theatrical texts of Mallarmé and Stein to the dramatic Circe chapter of Joyce's *Ulysses* At times then the anti theatrical impulse leads to a withdrawal from the theater At other times however it returns to the stage when Yeats blends lyric poetry with Japanese Noh dancers when Brecht controls the stage with novelistic techniques and when Beckett buries his actors in barrels and behind obsessive stage directions The modernist theater thus owes much to the closet drama whose literary strategies it blends with a new *mise en scène* While offering an alternative history of modernist theater and literature Puchner also provides a new account of the contradictory forces within modernism **The Chemistry of the Theatre** Jerzy Limon,2010-09-17 This innovative theoretical work focuses on temporal issues in theatre and the chemistry of theatre the ways in which a variety of factors in performance combine to make up what we call theatre Discussing a range of canonical plays from Shakespeare to Beckett the book makes a unique contribution to theatre and performance studies [The Brilliantly Illuminating Lamp of the Five Stages](#) Tsong Khapa,2019-08-06 The most important commentary on Vajrayana from the founder of the Dalai Lama's school of Buddhism *The Brilliantly Illuminating Lamp of the Five Stages* *rim lnga rab tu gsal ba i sgron me* is Tsong Khapa's most important commentary on the perfection stage practices of the Esoteric Community Guhyasamaja the tantra he considered fundamental for the practice of the father tantra class of unexcelled yoga tantras It draws heavily on Nagarjuna's *Five Stages Pa cakrama* and Aryadeva's *Lamp that Integrates the Practices Carya melapaka pradipa* as well as a vast range of perfection stage works included in the Tibetan canonical Kangyur and Tengyur collections It is an important work for both scholars and practitioners A reader of this work will find in it convincing evidence for Tsong Khapa's own yogic experience and attainment in coordination with his better known philosophical and scholarly achievements The present revised edition of the work is a cornerstone of the Complete Works of Jey Tsong Khapa and Sons collection a subset of the Treasury of the Buddhist Sciences series Comprised of the collected works of Tsong Khapa 1357 1419 and his spiritual sons Gyaltsep Darma Rinchen 1364 1432 and Khedrup Gelek Pelsang 1385 1438 the numerous works
