Speeches and Documents on New Zealand History William David McIntyre, W. J. Gardner, 1971 Historical Dictionary of New Zealand Janine Hayward, Richard Shaw, Lara Greaves, Claire Timperley, 2024-11-19 The Historical Dictionary of New Zealand Fourth Edition provides a broad introduction to New Zealand as well as rich detail about the people events laws concepts and institutions that have shaped New Zealand history This is done through a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about New Zealand *Making Peoples: A History of the New Zealanders From Polynesian* James Belich, 2007-05-07 A new paperback reprint of this best selling and ground breaking history When first published in 1996 Making Peoples was hailed as redefining New Zealand history It was undoubtedly the most important work of New Zealand history since Keith Sinclair s classic A History of New Zealand Making Peoples covers the period from first settlement to the end of the nineteenth century Part one covers Polynesian background Maori settlement and pre contact history Part two looks at Maori European relations to 1900 Part three discusses Pakeha colonisation and settlement James Belich s Making Peoples is a major work which reshapes our understanding of New Zealand history challenges traditional views and debunks many myths while also recognising the value of myths as historical forces Many of its assertions are new and controversial **This Realm of New Zealand** Janet McLean, Alison Quentin-Baxter, 2017-12-11 New Zealand is a democratic constitutional monarchy one of Queen Elizabeth II s sixteen realms This book provides a comprehensive account of how the Queen the Governor General and the Crown interact with our democratically elected leaders under New Zealand s unwritten constitution The authors explain how these islands in the South Pacific were first brought within Queen Victoria s dominions the arrangements then made for their future government and how those arrangements developed over time with the pressure for democracy and responsible government to become New Zealand s current constitution They discuss the responsibilities of and interactions between the key office holders the Sovereign herself her representative the Governor General the impersonal and perpetual Crown and the Prime Minister other Ministers and Members of Parliament All of them affect in some way the government which runs the country day to day In an afterword the authors examine some of the key issues to be considered should New Zealand become a republic The parliamentary democracy that we take for granted can conceal New Zealand s ultimate constitutional underpinnings in the monarchy But as the authors make clear the monarchy s continuing role in New Zealand s constitution is significant And understanding the roles of the Queen the Governor General and the Crown will be critical as we look forward to debates about the possibility of a republic in New Zealand *The Making of New Zealanders* Ron Palenski, 2013-11-01 Examining the development of a sense of national identity in a British colony this highly authoritative work is a valuable addition to the

literature in New Zealand By looking at the onset of home grown shipping railway and telegraph networks as well as at the Maori and kiwi experiences not to mention the emergence of rugby teams this book accounts for how transplanted Britons and others turned themselves into New Zealanders a distinct group of people with their own songs and sports symbols and opinions political traditions and sense of self Tracing markers in popular culture political processes and public events this informative and thrilling history focuses on the forging of a distinctive new culture and society History of Maori of Nelson and Marlborough Hilary Mitchell, John Mitchell, 2007 Te Ara Hou The New Society is the second volume in the history of Maori in Nelson and Marlborough This history details Maori participation in the European settlement society from commitment to Christianity to enthusiasm for commerce and relationships with Europeans It shows how Maori fared under European institutions struggled to survive and how Maori culture and language were swamped by assimilation and Anglicisation *The New Zealand Journal of History*, 2003 *New Zealand*, **The Commonwealth of Nations** W. David McIntyre, 1977 The author a professor of history at the University of Canterbury Christchurch New Zealand presents a comprehensive survey of Commonwealth history from the time of soul searching about the future of the British Empire which marked the middle years of Queen Victoria s reign to the year when Britain decided to enter the European Community The account is divided in three periods 1869 to 1917 1917 to 1941 and 1942 to 1971 Within each period a four fold thematic divisions is followed Dominions Indian Empire crown colonies and protectorates *Colonial Self-Government* John Manning Ward, 1976-06-18
