Asia's Maritime History and Identity at Cultural Crossroads

Sreedevi Santhosh, Samjaila T. H., Preethi S., Steffi Santhana Mary S, Uma Maheswary, L. Santhosh Kumar, 2025-12-23 Maritime Asia collectively bordered by the Pacific Indian and Arctic Ocean sources Asia's food reserve goods and ideas yet figures relatively lesser in global cultural production Asia's great highways and wide common of the sea function as routes for trade and commerce that underpins globalization Due to unprecedented human trafficking at sea the ocean has largely become a repository for plastic pollution waste and effluents Complex oceanic ecosystems make it inconceivable for human beings to take stock of the interdependence of seas earth and atmosphere missing in context for redressal

Horst Kopp, 2003 As the level of globalization in business relationships rises the importance of questions and problems pertaining to intercultural communication increases more and more This gives rise to new tasks for the social sciences which can only be successfully performed through interdisciplinary cooperation in the sense of area studies Between 1995 and 2002 for area the Bavarian research network for area studies drew together numerous members of the scientific community who are specialized in the social sciences to pursue previously unresearched topics in areas of overlap of business and culture as exemplified in non European regions The most important results are collated here *Proceedings of The 5th International Conference on Linguistics and Cultural Studies 5 (ICLC-5 2024)* Muhammad Hasyim, Mardi Adi Armin, Yusuf

Yusuf, 2025-05-19 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based

innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar

Cultural Policy and East Asian Rivalry Anthony Y. H. Fung, 2018-05-01 Hong Kong was once an established hub of creativity in Asia recognized internationally for its cinema Bruce Lee and Kung Fu Cantopop its particular form of pop music was popular throughout China and East Asia from the 1970s So why is Hong Kong's creative industry today in a state of stagnation Cultural Policy and East Asian Rivalry unravels the challenges faced by the creative industries in Hong Kong in relation to the wider East Asian context in countries including Singapore Japan Korea Vietnam Malaysia and China Based on a four year study of the gaming industry in Hong Kong this book explores the barriers that creative industries face in the region Fung argues that a lack of cultural policy in Hong Kong has damaged the gaming industry and by extension all creative industries in the region by rendering them uncompetitive Conversely the growing strength of cultural policy in other countries across the region has created further barriers for the industry

Asianism and the Politics of Regional Consciousness in Singapore Leong Yew, 2013-11-20 Over the last two decades Singapore has undergone a substantial degree of Asianization Apart from participating in the Asian values debate of the 1990s re-visioning itself as New Asia and a global Asian hub and establishing Asian identities for the commodities it consumes and produces Singapore has also repurposed its modernity cultures and ethos along similar regionalist precepts However even in recent times Singapore continues to vacillate ambivalently between identifying with and differentiating itself from Asia Responding to the challenges Singapore faces in coming to terms with its Asian identity this book examines the complex cultural social and political underpinnings that have shaped Singapore's mainstream discourse on Asia Indeed it argues that its legacy as a colonial port city the exigencies of managing the post independence nation state and the larger forces of imperialism and capitalism all contribute to its politics of Asianism Taking a thoroughly interdisciplinary approach that spans history cultural studies postcolonialism and cultural geography Leong Yew reveals how Asia has been used to narrate Singapore's beginnings revalidate Singaporean ethnic culture and to consolidate its practices of consumption and commodification This book will be welcomed by students and scholars working across a range of fields including Asian culture and society Asian politics cultural theory and postcolonial studies

Building Area Studies Collections Dan C. Hazen, James H. Spohrer, 2007 These essays by noted Area Studies specialists at a number of US research libraries serve as a practical and theoretical guide to university and college administrators library directors and heads of collection development as well as selection practitioners who work to create foreign language collections for research libraries The volume constitutes a general introduction for new practitioners and even the most experienced Area Studies librarians will find

useful practical advice for reviewing and refining their existing collecting practices Coverage includes East Asia Latin America Southeast Asia Africa South Asia and the Romance language areas of Europe as well as the German Nordic Netherlandic countries Each essay presents the Area Studies topic in question from an historical perspective and provides background on its present status and anticipated future development Special emphasis is placed on the techniques of both print and digital collecting and on the assessment methods by which collection strengths and future needs are determined Guidelines for expenditures for both collections and collateral activities such as providing access and preservation are provided and contributors also supply extensive documentation for the burgeoning array of online digital resources which have emerged in the past decade The volume editors Dan C Hazen Harvard and James H Spohrer University of California Berkeley also provide a general introduction to the topic and a detailed summary of current cooperative activities in Area Studies collecting

New Directions in Print Culture Studies Jesse W. Schwartz, Daniel Worden, 2022-06-16

New Directions in Print Culture Studies features new methods and approaches to cultural and literary history that draw on periodicals print culture and material culture thus revising and rewriting what we think we know about the aesthetic cultural and social history of transnational America The unifying questions posed and answered in this book are methodological How can we make material archival objects meaningful How can we engage and contest dominant conceptions of aesthetic historical and literary periods How can we present archival material in ways that make it accessible to other scholars and students What theoretical commitments does a focus on material objects entail

New Directions in Print Culture Studies brings together leading scholars to address the methodological historical and theoretical commitments that emerge from studying how periodicals books images and ideas circulated from the 19th century to the present Reaching beyond national boundaries the essays in this book focus on the different materials and archives we can use to rewrite literary history in ways that highlight not a canon of major literary works but instead the networks dialogues and tensions that define print cultures in various moments and movements
