Examines the roots of five hundred common expressions originating in the world of sports **The Field Guide to Sports**
Metaphors Josh Chetwynd, 2016-05-10 A gift worthy playbook of common and unexpected words and idioms that have their roots in sports and games There are many metaphors we can quickly identify from the realm of sports covering all the bases baseball game plan football and par for the course golf But the English language is also peppered with the not so obvious influence of sports and games such as go to guy basketball and dead ringer horse racing Filled with pithy entries on each idiom plus quotes showing how big talkers from President Obama to rapper Ice T use them this quirky little handbook from former minor league ballplayer and award winning journalist Josh Chetwynd is sure to be a conversation starter at tailgates cocktail parties and in the boardroom **The American Heritage Dictionary of Idioms, Second Edition** Christine Ammer, 2013 Fifteen years after the publication of the first edition of the American Heritage R Dictionary of Idioms author Christine Ammer has extensively updated and expanded her original text making over 1500 revisions and adding hundreds of new entries such as couch potato elephant in the room senior moment and think outside the box to keep up with the rapidly changing English language *"Yes We Can"* Wolfgang Mieder, 2009 As President Barack Obama outlined his promise for change during the presidential campaign he made effective use of proverbs and proverbial phrases and invented many quotable epithets that have all the makings of future proverbs This book examines how Obama s natural and authentic reliance on traditional metaphors enhances his impressive rhetoric rather than reducing it to mere sound bites Proverbs with their often colorful metaphors add expressiveness and emotion to his communications giving people the opportunity to follow his pragmatic or philosophical arguments through common language No matter the subject Obama s prose contains metaphorical language that makes his rhetoric and oratory universally accessible This book contains detailed analyses of the proverbial rhetoric in Obama s books *Dreams from My Father* 1995 and *The Audacity of Hope* 2006 A section looks at his proverbial language in 229 speeches news conferences interviews and radio addresses and the final section presents in depth studies of his seven most significant addresses It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama s political beginnings to his memorable inaugural address **Baseball and the Music of Charles Ives** Timothy A. Johnson, 2004 Baseball and the Music of Charles Ives offers readers an exceptionally rich understanding of Charles Ives Through intelligent discussion of Ives s musical compositions combined with solid research on the composer s lifelong love of the American pastime Ives s pioneering spirit and unique creativity are highlighted most clearly in this fascinating work **Sport in American Culture** Joyce D.
