Soviet Collective Farm 1929 1930:

The Industrialisation Of Soviet Russia: Volume 2: The Soviet Collective Farm, 1929-1930 R W Davies,1980-07-31 During the events described in *The Socialist Offensive* the collective farms achieved a commanding position in the Soviet countryside The emergence of the collective farm in 1929 30 discussed in the present volume was a crucial stage in the formation of the Soviet system

The Industrialisation of Soviet Russia 2: Soviet Collective Farm, 1929-1930 R. W. Davies,1989-05-05 During the events described in *The Socialist Offensive* the collective farms achieved a commanding position in the Soviet countryside They were planned as giant fully socialist enterprises modelled on the state owned factories and employing wage labour By the summer of 1930 the collective farm compromise had been introduced Collective farmers were permitted to retain a personal household plot and their own animals and a free market continued side by side with state planning This system continued throughout the Stalin period important features of it remain in the Soviet Union today The emergence of the collective farm in 1929 30 discussed in detail in the present volume was thus a crucial stage in the formation of the Soviet system

The Industrialisation of Soviet Russia Volume 4: Crisis and Progress in the Soviet Economy, 1931-1933 R. W. Davies,2016-07-27 The profound economic crisis of 1931 33 undermined the process of industrialisation and the stability of the regime In spite of feverish efforts to achieve the over ambitious first five year plan the great industrial projects lagged far behind schedule These were years of inflation economic disorder and of terrible famine in 1933 In response to the crisis policies and systems changed significantly Greater realism prevailed more moderate plans reduced investment strict monetary controls and more emphasis on economic incentives and the role of the market The reforms failed to prevent the terrible famine of 1933 in which millions of peasants died But the last months of 1933 saw the first signs of an industrial boom the outcome of the huge investments of previous years Using the previously secret archives of the Politburo and the Council of People s Commissars the author shows how during these formative years the economic system acquired the shape which it retained until the collapse of the Soviet Union in 1991

The Industrialisation of Soviet Russia R. W. Davies,1980

The Industrialisation of Soviet Russia 3: The Soviet Economy in Turmoil 1929-1930 R. W. Davies,1989-05-05 In 1929 30 the spinal year of the first five year plan a vast investment programme began the transformation of the Soviet Union from a peasant country into a great industrial power This book the third part of *The Industrialisation of Soviet Russia* re examines the breakdown of the mixed economy In those days of heroism and enthusiasm hunger and repression crucial Soviet economic and political institutions were established and are only now being effectively challenged by Gorbachev s revolution While complementing the previous two volumes of this author s work the book is designed to be read independently It sheds new light on a dramatic moment in Soviet history and in the formation of the Soviet system

The Industrialisation of Soviet Russia 1: Socialist Offensive R. W.

Davies,1980-07-30 By the summer of 1929 Soviet industrialisation was well under way but agriculture was in a profound crisis in 1928 and 1929 grain to feed the towns was wrested from the peasants by force and the twenty five million individual peasant households lost the stimulus to extend or even to maintain their production In the autumn of 1929 the Soviet Politburo led by Stalin launched its desperate effort to win the battle for agriculture by forcible collectivisation and by large scale mechanisation Simultaneously hundreds of thousands of kulaks richer peasants and recalcitrant peasants were expelled from their villages This book tells the story of these events as momentous in their impact on Russian history at the Bolshevik Revolution of October 1917 and of the temporary retreat from collectivisation in the spring of 1930 in the face of peasant resistance The crisis in the Communist Party which resulted from this upheaval in the months preceding the XVI party congress in June 1930 is described in detail for the first time Centre-Local Relations in the Stalinist State, 1928-1941 E. A. Rees,2002-10-22 This book analyzes the development of the Stalinist state of the 1930s from the perspective of the changing nature of centre local relations It examines the trend toward greater central state control over the formation and implementation of economic policy and the shift towards increased state repression through a series of archive based case studies of the centre s interactions with its republican and regional bodies The book provides the basis for a new conceptualization of the Stalinist state **The Russian Peasantry 1600-1930** David Moon,2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant s traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable
