Strategic Planning and Budgeting for Colleges Philip J. Bossert, 1989 **Strategic Planning for Private Higher Education** Robert E Stevens, David L Loudon, Kenneth W Oosting, R Henry Migliore, Carle M Hunt, 2013-04-15 With Strategic Planning for Private Higher Education you will improve your effectiveness in strategic planning to ensure the growth success and viability of your institution The book s emphasis on tested techniques and the examples from the authors experiences in leading several private educational organizations give you the practical insight you need to learn how to benefit from strategic planning The entire strategic planning process is covered from vision casting to evaluation for all types of private educational institutions including colleges universities seminaries graduate schools in education and business and even K 12 academies Strategic Planning for Private Higher Education will inspire you to make planning happen in a manner that will change the future and make a difference in the life of your institution You ll see the strategic planning process from a senior administrator s perspective in real time with the idea of empowering all participating stakeholders for input and ownership of the process This book shows education administrators faculty and students how to develop a vision that is understood shared and acted upon create a mission that adequately communicates who we are to be used in guiding every decision of the institution meet accreditation requirements of institutional effectiveness scan and analyze the external environment for changes that create either opportunities or threats to the institution establish and implement strategy tactics and action plans evaluate and control the strategic planning process assess the cultural and internal situation The book s end of chapter questions provide projects and assignments that reinforce the text materials Also included are sample strategic plans for departments schools and colleges illustrating how to apply textual concepts and principles Yet another valuable feature of Strategic Planning for Private Higher Education is its presentation of a master case study illustrating a number of key points including interaction between a college president and board of trustees the use of a strategic planning task force to collect primary data and to expand participation rewriting the mission statement of the college and an illustration of a strategic planning calendar in relation to the budgeting calendar Strategic Planning and Budgeting Process Delaware State University. Strategic Planning Office, 1993 Strategic Planning for University Colleges and Departments Jayme L. Renfro, 2024-08-16 This practical guide contains everything higher education leaders and administrators need to know in order to write simple effective plans for their colleges and departments Debunking the traditional notion that intricate drawn out planning automatically translates to effective strategy this book calls for a paradigm shift urging a move away from mere procedural planning and toward strategic thinking and action The processes techniques and troubleshooting pointers described in this guide ensure strategic planning is a meaningful and impactful practice empowering academic units to align their efforts with broader institutional goals and realize their full potential in an evolving educational environment An invaluable resource on writing and maintaining strategic plans for university subunits this book should have a place on every
