New Frontiers of Customer Strategy Thierry Delecolle,Florence Jacob,Isabelle Prim-Allaz,2024-07-23 Digital transformation has shaped a new landscape for companies and their customers offering companies a wealth of data with which to develop customer knowledge However this evolution is just one of many transformations in customer marketing within an increasingly complex reality thrown into turmoil by environmental and social changes New frontiers in customer relations strategies are thus being drawn some in new territories grounded in efforts to preserve scarce resources while

others are built on expectations of social responsibility These profound societal changes also reveal darker frontiers where companies have insufficient ethical considerations for vulnerable customers or merely react to changes in legislation New Frontiers of Customer Strategy offers practitioners lecturers and students an up to date reflection on the role of customer relations now and in the future to keep pace with environmental digital inclusive and ethical issues as well as organizational governance
