Stravinsky Oedipus Rex

Daniel Albright

Stravinsky Oedipus Rex:

Stravinsky: Oedipus Rex Stephen Walsh, 1993-06-24 This clear and concise guide is the first ever to be written on this work and it describes the music and its staging in close detail **Igor Stravinsky's 'Oedipus Rex'** John H. Ratledge, 1988

Stravinsky conducts Oedipus rex Igor Stravinsky, 1966 **Igor Stravinsky's Oedipus Rex** David Newby, 1994

Stravinsky's Oedipus Rex, 1931 [Oedipus Rex/The Rake's Progress](#) Igor Stravinsky, 2018-01-01 Stravinsky's genius for the stage is here represented by two very different works Oedipus Rex 1927 is the fruit of a collaboration with Jean Cocteau in which the Sophocles tragedy is pared down to make an opera oratorio of overwhelming impact Judith Weir analyses how this is achieved the Latin text has an immediacy which is sometimes even comic and the vibrant rhythms are reminiscent of the Italian operatic tradition explored by David Nice in his analysis of the score The libretto of The Rake's Progress 1951 by W H Auden and Chester Kallman is one of the greatest English opera texts In a survey of the composition period Roger Savage examines the contributions of the different collaborators Contents The Person of Fate and the Fate of the Person Oedipus Rex David Nice Oedipus Rex A Personal View Judith Weir On an Oratorio Jean Cocteau Oedipus Rex Libretto by Jean Cocteau translated into Latin by Jean Danielou Oedipus Rex English translation of the narration by e e cummings and of the Latin text by Deryck Cooke Making a Libretto Three Collaborations over The Rake's Progress Roger Savage The New and the Classical in The Rake's Progress Brian Trowell The Rake's Progress Libretto by W H Auden and Chester Kallman *A Study of the Origin and Performance Practices of Stravinsky's Oedipus Rex* Clinton Nichols, 1971

The Unity of Music and Drama in Stravinsky's Oedipus Rex Robert Manero, 1976 *An analysis of the rhythmic construction of Stravinsky's Oedipus Rex* William Joe Dick, 1968 **Oedipus Rex** Igor Stravinsky, **Stravinsky - Oedipus Rex and Symphony of Psalms**, 1999-08 Boosey Hawkes Scores Books Contains the full orchestra scores to both works Oedipus Rex revised edition 1948 Symphony of Psalms revised edition 1948 **In Stravinsky's Orbit** Klara Moricz, 2020-08-04 The Bolsheviks 1917 political coup caused a seismic disruption in Russian culture Carried by the first wave of emigrants Russian culture migrated West transforming itself as it interacted with the new cultural environment and clashed with exported Soviet trends In this book Klara Moricz explores the transnational emigrant space of Russian composers Igor Stravinsky Vladimir Dukelsky Sergey Prokofiev Nicolas Nabokov and Arthur Louri in interwar Paris Their music reflected the conflict between a modernist narrative demanding innovation and a narrative of exile wedded to the preservation of prerevolutionary Russian culture The emigrants and the Bolsheviks contrasting visions of Russia and its past collided frequently in the French capital where the Soviets displayed their political and artistic products Russian composers in Paris also had to reckon with Stravinsky's disproportionate influence if they succumbed to fashions dictated by their famous compatriot they risked becoming epigones if they kept to their old ways they quickly became irrelevant Although Stravinsky's neoclassicism provided a seemingly neutral middle ground between innovation and nostalgia it was also marked

by the exilic experience Mericz offers this unexplored context for Stravinsky's neoclassicism shedding new light on this infinitely elusive term

Multiple Masks Maureen A. Carr, 2002-01-01 In *Multiple Masks* Maureen A Carr studies Igor Stravinsky's creative process for *Oedipus Rex*, *Apollo Persphone* and *Orpheus* through his musical sketches and other documents, scenarios, librettos, correspondence, reviews and philosophical commentaries as well as previously uncited sources for Stravinsky's book *Poetics of Music*. A clear explanation of Stravinsky's compositional techniques within a broad cultural context emerges for each of these four significant works. Carr concludes that Stravinsky used Greek myths as filters for certain poetic ideas and musical techniques that he developed in his earlier works. At the same time the mythological story lines provided him with the objective stance that he was seeking in these neoclassical works

New York Magazine, 1981-12-21 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Oedipus Rex, 1949 [Analyses of Nineteenth- and Twentieth-Century Music, 1940-2000](#) D. J. Hoek, 2007-02-15 The latest volume in the Music Library Association's Index and Bibliography series *Analyses of Nineteenth and Twentieth Century Music 1940-2000* features over 9,000 references to analyses of works by more than 1,000 composers of the nineteenth and twentieth centuries. References that address form, harmony, melody, rhythm and other structural elements of musical compositions have been compiled into this valuable resource. This update of Arthur Wenk's well-known bibliography last published in 1987 includes all the original entries from that work along with additional references to analyses through 2000. International in scope, the bibliography covers writings in English, French, German, Italian and other European languages and draws from 167 periodicals as well as important theses, dissertations, books and *Festschriften*. References are arranged alphabetically by composer and include subheadings for specific works and genres. This bibliography provides students, scholars, performers and librarians with broad coverage, detailed indexing and ready access to a large and diverse body of analytical literature on nineteenth and twentieth-century music.

Music Speaks Daniel Albright, 2009 Albright presents a collection of essays on the history of music, probing the problems of articulating the meaning of music and exploring the larger question of how music interacts with language and image to create the full artistic spectrum afforded in media such as opera.

New York Magazine, 1981-12-21 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country.
