Maxson, 2010-04-12 Street Gang Patterns and Policies provides a crucial update and critical examination of knowledge about gangs and major gang control programs across the nation Filling an important gap in the literature on street gangs and social control this book is a must read for criminologists social workers policy makers and criminal justice practitioners

Gangs and Youth Subcultures Kayleen Hazlehurst, Cameron Hazlehurst, 2018-01-16 Gangs are growing in many different social economic and political environments coupled with an alarming breakdown of public order Failures to contain or reduce gang crime in European Asian South American African and North American cities may be symptoms of fundamental problems threatening the fabric of many societies The spread of gangs to suburbia and remote locations is a palpable worldwide threat But despite nearly a century of scholarly inquiry into street gangs and youth subcultures no single work systematically reflects on comparative international experiences with gangs Gangs and Youth Subcultures takes up this challenge Kayleen Hazlehurst and Cameron Hazlehurst argue that theories of gang behavior in immigrant communities and the influence of transnational crime syndicates are better tested in more than one host society Similar phenomena would be better understood if placed in a comparative context To this purpose the editors assembled expert scholars and policy advisers from North America Europe South Africa and Australasia Gangs and Youth Subculture lays the groundwork for an explanation of why gangs continue to grow in strength and influence and why they have spread to remote locations Kayleen Hazlehurst and Cameron Hazlehurst present new findings and innovative preventive strategies in a clear concise fashion No other work brings together experts on gangs and youth subcultures from so many countries As such this trailblazing book will interest scholars and teachers of criminology and sociology justice system administrators as well as law enforcement officers and youth workers internationally

Schools, Violence, and Society Allan M. Hoffman, 1996-05-30 This book is designed to examine issues related to schools violence and society Since the 1960s crime

and violence have been increasing in America's schools. This violence is not limited to inner city schools but has struck virtually every strata and socio-economic level of American culture and society. The prevalence of crime and violence occurring in our nation's schools has become the concern of policymakers on the national and state levels. Concern has spread to parents, educators, and students themselves. This edited volume reviews violence in society, school violence, and crime. Coverage includes past trends in school violence and describes the current extent of the problem as well as aspects of its causes and prevention. The influence on the students and community of gang activity, gang-related issues, drugs, alcohol, and weapons on campus is discussed.

Gangs Jacqueline Schneider, 2017-11-30. The task of researching gangs is fraught with difficulties central to which are issues of definition and reliance on certain forms of data for analyses. These methodological issues have been acknowledged as limitations in most of the existing research but they have not been explored as being potentially serious flaws contributing to the proliferation of myth or as aggravating factors that exacerbate what is essentially a relatively uncomplicated social process. Also unclear from existing studies is the extent to which suppositions about gangs feed moral panics or contribute to the misidentification or over-specification of a problem. This captivating volume focuses on gangs, their formation, identity, and behaviour with a view to developing a preventive strategy.

Vigilantes and Unauthorized Militia in America Charles Doyle, 2002. A vigilante group is an armed private group that has taken the law into its own hands or that has the announced potential of doing so. There are quite a number of such organisations in the contemporary United States and many have members who are said to be anti-government, racist, or both. There is a strong history of vigilante activity in the United States that is unique in modern world history. In order to avoid civil disturbances, Congress and a number of state legislatures have passed laws governing the organisation, instruction, and activities of private groups assembled to drill with, practice with, or demonstrate the use of firearms or explosives. This is a brief overview of those laws.

Bishkek Boys Philipp Schröder, 2017-11-01. In this pioneering ethnographic study of identity and integration, author Philipp Schröder explores urban change in Kyrgyzstan's capital Bishkek from the vantage point of the male youth living in one neighbourhood. Touching on topics including authority, violence, social and imaginary geographies, interethnic relations, friendship, and competing notions of belonging to the city, Bishkek Boys offers unique insights into how post-Socialist economic liberalization, rural-urban migration, and ethnic nationalism have reshaped social relations among young males who come of age in this Central Asian urban environment.

Gangs Jennifer MacKay, 2010-11-08. According to the FBI, 33,000 violent street gangs, motorcycle gangs, and prison gangs with nearly 1.4 million members are criminally active in the U.S. today. One of the most notorious and dangerous gangs, Mara Salvatrucha or MS-13, originated in Los Angeles and has as many as 50,000 members. The Justice Department credits gangs

with illegal smuggling transportation and distribution of large amounts of drugs in the United States This expansive volume explores the issues surrounding gangs The book tackles the history of gangs in America the relationship between gangs and culture and gangs as businesses *Police Theory in America* Robert C. Wadman, 2009 measurement of effective policing is based on a quick response to crime that has already been committed the value of crime prevention has become an afterthought in America's police departments The middle chapters outline these issues and identify the strategies to improve police community relationships and adjust the measurements for effective policing The concluding chapters identify strategies designed to facilitate police department organizational change Using terms from the discipline of economics a micro strategy and a macro strategy are outlined A new theory of policing concludes the book The book is intended primarily as a textbook for criminal justice students but it will also prove useful to police departments police academies city managers and elected officials responsible for police administration and community safety Book Jacket **Monthly Catalogue, United States Public Documents**, 1993 **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents, 1993 **The Lineaments of Wrath** James W. Clarke, 2018-01-16 Violence has marked relations between blacks and whites in America for nearly four hundred years In *The Lineaments of Wrath* James W. Clarke draws upon behavioral science theory and primary historical evidence to examine and explain its causes and enduring consequences Beginning with slavery and concluding with the present Clarke describes how the combined effects of state sanctioned mob violence and the discriminatory administration of race blind criminal and contract labor laws terrorized and immobilized the black population in the post emancipation South In this fashion an agricultural system based on debt peonage and convict labor quickly replaced slavery and remained the back bone of the region's economy well into the twentieth century Quoting the actual words of victims and witnesses from former slaves to gangsta rappers Clarke documents the erosion of black confidence in American criminal justice In so doing he also traces the evolution across many generations of a black subculture of violence in which disputes are settled personally and without recourse to the legal system That subculture the author concludes accounts for historically high rates of black on black violence which now threatens to destroy the black inner city from within *The Lineaments of Wrath* puts America's race issues into a completely original historical perspective Those in the fields of political science sociology history psychology public policy race relations and law will find Clarke's work of profound importance **Responding to Gangs**, 2002 [Addressing Community Gang Problems](#), 1998 **Street Gang Awareness** Steven L. Street Gangs Current Knowledge And Strategies Introduction

In today's digital age, the availability of Street Gangs Current Knowledge And Strategies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Street Gangs Current Knowledge And Strategies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Street Gangs Current Knowledge And Strategies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Street Gangs Current Knowledge And Strategies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Street Gangs Current Knowledge And Strategies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Street Gangs Current Knowledge And Strategies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Street Gangs Current Knowledge And Strategies books and manuals is Open Library. Open Library is an initiative of the Internet

Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Street Gangs Current Knowledge And Strategies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
