Street In Marrakech A Personal Encounter With The Lives Of Moroccan Women:

Memory and Presence of Female Saints in Ksar El Kebir (Morocco) Rachid El Hour,Manuela Marín,2022-05-16

This book discusses hagiographical sources from Morocco taking in consideration the often overlooked oral tradition Orality as is shown in this study completes and enriches the vision of hagiography that written sources traditionally has offered The most relevant example in this book is the high presence of female saints in oral narratives that were not included in any other written sources Recovering oral tradition to study hagiography as well as the role of female saints in Morocco has been one of the main areas of focus in this study as well as problematizing the dependence and dialogue between written and oral culture and can help to understand the diffusion and presence of similar phenomena in other areas of Morocco Historical Dictionary of Morocco Thomas K. Park,Aomar Boum,2006-01-16 The Kingdom of Morocco achieved its independence in 1956 after over 40 years as a French protectorate Since its independence it has further expanded its area of control by reclaiming the formerly international city of Tangier as well as annexing Western Sahara from Spain in the 1970s In 1777 Morocco became the first nation to recognize the United States and the Moroccan American Treaty of Friendship of 1783 is the oldest unbroken friendship treaty with the U S Morocco of the past and present are covered in this second edition of the Historical Dictionary of Morocco A comprehensive introduction focusing on its history provides a helpful synopsis of the kingdom and is supplemented with a useful chronology of major events Hundreds of cross referenced dictionary entries on former rulers current leaders ancient capitals significant locations influential institutions and crucial aspects of the economy society culture and religion form the core of the book A bibliography of sources is included to promote further more specialized study **Gender, Genre and Religion** Morny Joy,Eva K. Neumaier-Dargyay,2006-01-01 Many feminists today are challenging the outmoded aspects of both the conventions and the study of religion in radical ways Canadian feminists are no exception Gender Genre and Religion is the outcome of a research network of leading women scholars organized to survey the contribution of Canadian women working in the field of religious studies and further to plot the path forward This collection of their essays covers most of the major religious traditions and offers exciting suggestions as to how religious traditions will change as women take on more central roles Feminist theories have been used by all contributors as a springboard to show that the assumptions of unified monolithic religions and their respective canons is a fabrication created by a scholarship based on male privilege Using gender and genre as analytical tools the essays reflect a diversity of approaches and open up new ways of reading sacred texts Superb essays by Pamela Dickey Young Winnie Tamm Morny Joy and Marsha Hewitt among others honour the first generation of feminist theologians and situate the current generation showing how they have learned from and gone beyond their predecessors The sensitive and original essays in Gender Genre and Religion will be of interest to feminist scholars and to anyone teaching women and religion courses A Handbook for Social Science Field Research Ellen Perecman,Sara R. Curran,2006-01-24 A Handbook for Social Science Field Research

Essays as well as a perfect lightweight handbook for all researchers and professionals interested in having a comprehensive collection of bibliographic information for social science research **Cultural Anthropology of the Middle East** ,1992

During the last two decades the number of anthropological studies on the Middle East has increased exponentially This partially annotated bibliography offers a comprehensive survey of studies written in English French and German and covers the period from 1965 to 1987 *Historical Dictionary of Morocco* Aomar Boum,Thomas K. Park,2016-06-02 A historical reference work on Morocco must take as its subject al maghrib al aqsa the far west as the Arabic scholars have generally referred to the approximate region of present day Morocco roughly the north west corner of Africa but at times including much of the Iberian peninsula because the modern nation state is a relatively recent creation owing much to events in the late 19th and early 20th centuries External influences on Morocco tend to come across the narrow straits of Gibraltar to the north from the east along the Mediterranean litoral or up from the Sahara In each case access is constrained by geography and continued control from outside the region has been difficult to manage over the long term Although many of the dynasties that came to power in Morocco conquered much broader regions history and topology have so conspired that there is still more coherence to an historical focus on al maghrib al aqsa than is the case for most modern nation states This third edition of *Historical Dictionary of Morocco* contains a chronology an introduction a glossary and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Morocco **Improbable Women** William Woods Cotterman,2013-10-22 Zenobia was the third century Syrian queen who rebelled against Roman rule Before Emperor Aurelian prevailed against her forces she had seized almost one third of the Roman Empire Today her legend attracts thousands of visitors to her capital Palmyra one of the great ruined cities of the ancient world In the nineteenth and early twentieth centuries during the time of Ottoman rule travel to the Middle East was almost impossible for Westerners That did not stop five daring women from abandoning their conventional lives and venturing into the heart of this inhospitable region *Improbable Women* explores the lives of Hester Stanhope Jane Digby Isabel Burton Gertrude Bell and Freya Stark narrating the story of each woman s pilgrimage to Palmyra to pay homage to the warrior queen Although the women lived in different time periods ranging from the eighteenth century to the mid twentieth century they all had middle to upper class British backgrounds and overcame great societal pressures to pursue their independence Cotterman situates their lives against a backdrop of the Middle Eastern history that was the setting for their adventures Divided into six sections one devoted to Zenobia and one on each of the five women *Improbable Women* is a fascinating glimpse into the experiences and characters of these intelligent open minded and free spirited explorers

Women in the Middle East and North Africa Ayad Al-Qazzaz,1977 An annotated bibliography of women in the Middle East and North Africa **Qualitative Research Practice** Clive Seale,2004-02-28 Aimed at the student reader this book

demonstrates the benefits of using particular methods from the viewpoint of real life experience It contains chapters written by leading internationally distinguished qualitative researchers who recount and reflect on their own research experiences as well as others

Cultural Anthropology of the Middle East, A Bibliography, Volume 1 Cultural Anthropology of the Middle East 1965-1987 Strijp,2021-12-06 During the last two decades the number of anthropologists conducting research in the Middle East has increased considerably Together they have produced an abundance of valuable studies often based on prolonged periods of ethnographic fieldwork This bibliography offers a comprehensive survey of their results published between 1965 and 1987 It refers to studies published in English French and German Geographically the bibliography covers the area from Mauritania in the West to Afghanistan in the East and from Turkey in the North to the Arab Peninsula and Northern Sudan in the South The majority of studies inserted has been written by anthropologists Besides a considerable number of studies related to anthropology but published by non anthropologists has been integrated as well The majority of the monographs and volumes has been annotated

Sustainable Diplomacy D. Wellman,2004-05-06 Drawing on a variety of disciplines Sustainable Diplomacy is a highly constructive work Set in the context of modern Moroccan Spanish relations this text is a direct critique of realism as it is practiced in modern diplomacy Proposing a new eco centric approach to relations between nation states and bioregions Wellman presents the case for Ecological Realism an undergirding philosophy for conducting a diplomacy which values the role of popular religions ecological histories and the consumption and waste patterns of national populations Sustainable Diplomacy is thus a means of building relations not only between elites but also between people on the ground as they together face the real possibility of global ecological destruction

Ibss: Anthropology: 1975 International Committee for Social Scien,1978-08-24 First published in 1978 Routledge is an imprint of Taylor Francis an informa company

Desert Songs John Maier,1996-07-03 In an unusual approach to cultural studies John Maier examines a wide variety of modern Western and Eastern texts He brings together very different forms of cultural production modern and postmodern fiction and folktales advertising copy and oral histories travel literature and ethnographic studies Many academic disciplines are also juxtaposed literature and literary theory linguistics history psychoanalysis sociology film studies women s studies and anthropology largely because they have themselves been transformed by the cultural questions raised here

Perspectives on Israeli Anthropology Esther Hertzog,2010 Surveys past and present research on Israeli anthropology for students and researchers While Israel is a small country it has a diverse and continually changing society As a result since the 1960s Israeli anthropology has been a fertile ground for researchers This collection introduces readers to the diverse field of social anthropology in Israel today pointing to both its rich history and promising future Drawing upon recent research as well as a few key older articles editors Esther Hertzog Orit Abuhav Harvey E Goldberg and Emanuel Marx have selected contributors that highlight different theoretical perspectives and touch on a variety of relevant topics *Perspectives on Israeli Anthropology* begins with an introduction that

traces the development of social anthropology in Israel from its beginnings in Palestine prior to Israeli statehood to the present. The essays in this volume are divided into five major thematic sections including the effects of immigration, the influence of bureaucracies in social life, the negotiation of the social order, tensions between Jewish Israelis and Palestinian Arabs, and notions of Israeliness and Jewishness. Essays offer compelling research and a variety of perspectives on changing senses of identity, ethnicity, religiosity, and gender relations in a society deeply affected by war, violence, and dispossession. While the contributors in this volume adhere to various theoretical and ethnographic traditions, they all treat Israel as a complex, modern, and open society with much to offer other scholars. *Perspectives on Israeli Anthropology* will provide an illuminating overview of the discipline for students, teachers, and researchers in the field of social anthropology.

Women in the World Lyn Reese, Jean Wilkinson, 1987. A truly useful reference or curriculum development tool. THE BOOK REPORT. Selection of books and authors was wonderful. I would give this book a 4 star rating and highly recommend it to teachers at the Junior and Senior high level. Catherine Ahmad, Center for Middle Eastern Studies, University of Texas at Austin. Strongly recommended for collection development in both school and public libraries. EMERGENCY LIBRARIAN.

A Street in Marrakech Elizabeth Warnock Fernea, 1976. **Women in the Muslim World** Herbert L. Bodman, 1991. *Fasting and Feasting in Morocco* Marjo Buitelaar, 1993. Fasting during Ramadan is one of the five pillars or religious duties that Muslims must perform and is for many the most important role for women in Islamic practice, revealing the strategies women employ to earn religious merit. Rather than downplaying the role of women in religious practice within dominant Islam, this work shows that female pious acts are essential to the carrying out of religious doctrine and no less important than the special prayers said by men in the mosques.

Memoria y presencia de las mujeres santas de Alcazarquivir (Marruecos) El Hour, Rachid, Marín, Manuela, 2018-04-15. La recuperación y estudio de textos hagiográficos magrebíes teniendo en cuenta la importante tradición oral que a veces se solapa con la escritura y a veces mantiene una autonomía propia donde nos planteamos recurrir a ambos niveles de información tomando como caso de estudio el ámbito de la santidad femenina con una perspectiva cronológica amplia y una dimensión espacial por el contrario de entornos reducidos. Los resultados del trabajo de campo superaron las expectativas iniciales y nos han permitido recomponer un rico panorama de tradiciones que en ocasiones específicas se conectan con la literatura hagiográfica o incluso se nutren de ella. Estos enlaces entre oralidad y escritura son lógicamente más frecuentes cuanto más elevado es el nivel educacional de los informantes, algunos de los cuales se plantean cuestiones de carácter más amplio acerca de la evolución de las costumbres o el culto de los santos. Al mismo tiempo ha sido posible observar la difusión de tradiciones orales presentes en otras regiones de Marruecos y que no se recogen en la literatura hagiográfica. La relativa abundancia de santuarios con advocación femenina en Alcazarquivir fue uno de los motivos para su elección como objeto de estudio. Aunque los mausoleos y tumbas de mujeres santas son frecuentes en todo Marruecos, se carece aún de un estudio de conjunto o de monografías específicas sobre este fenómeno religioso y social.

Creemos que la investigación que ahora presentamos puede contribuir a un mayor conocimiento de esas áreas de religiosidad que han sido tradicionalmente consideradas como marginales pero que ocupan un espacio significativo en la práctica devocional de los musulmanes marroquíes como los de otras muchas regiones del mundo islámico

History of the Family and Kinship Gerald Lyman Soliday, 1980

Unveiling the Magic of Words: A Report on "**Street In Marrakech A Personal Encounter With The Lives Of Moroccan Women**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
