**M. Thomas Inge**

## **Street Magic An Illustrated History Of Wandering Magicians And Their Conjuring Arts:**

**Street Magic** Edward Claflin,1977

**Street Magic** Edward Claflin,Jeff Sheridan,1998

**Medical Meddlers**

**Mediums & Magician** Keith Souter,2011-11-30 The Victorians had a thirst for knowledge This drove them to explore the uncharted corners of the world plumb the unfathomable depths of science discover evolution and create some of the engineering and architectural marvels of the world Yet this open mindedness also at times made them utterly gullible Because of their closeness to disease and the ever present threat of their own mortality it was inevitable that they would be open to the claims of quacks who promised all kinds of panaceas and to mediums who offered a means of communicating with the dead So too did it make them eager for diversion and entertainment by the conjurers and illusionists of the great music halls Strangely it was through the magic making skill of the conjurers that the activities of many of the tricksters and fraudulent mediums finally came to be exposed Medical Meddlers Mediums Magicians is a box of delights for all students of Victoriana

**Conjuring Asia** Chris Goto-Jones,2016-07-04 The promise of magic has always commanded the human imagination but the story of industrial modernity is usually seen as a process of disenchantment Drawing on the writings and performances of the so called Golden Age Magicians from the turn of the twentieth century Chris Goto Jones unveils the ways in which European and North American encounters with and representations of Asia the fabled Mystic East worked to re enchant experiences of the modern world Beginning with a reconceptualization of the meaning of modern magic itself moving beyond conventional categories of real and fake magic Goto Jones acclaimed book guides us on a magical mystery tour around India China and Japan showing us levitations and decapitations magic duels and bullet catches goldfish bowls and paper butterflies In the end this mesmerizing book reveals Orientalism as a kind of magic in itself casting a spell over Western culture that leaves it transformed even today

**Shakespeare the Illusionist** Neil Forsyth,2019-02-11 In Shakespeare the Illusionist Neil Forsyth reviews the history of Shakespeare s plays on film using the basic distinction in film tradition between what is owed to M li s and what to the Lumi re brothers He then tightens his focus on those plays that include some explicit magical or supernatural elements Puck and the fairies ghosts and witches or Prospero s island for example and sets out methodically but with an easy touch to review all the films that have adapted those comedies and dramas into the present day Forsyth s aim is not to offer yet another answer as to whether Shakespeare would have written for the screen if he were alive today but rather to assess what various filmmakers and TV directors have in fact made of the spells haunts and apparitions in his plays From analyzing early camera tricks to assessing contemporary handling of the supernatural Forsyth reads Shakespeare films for how they use the techniques of moviemaking to address questions of illusion and dramatic influence In doing so he presents a bold step forward in Shakespeare and film studies and his fresh take is presented in lively accessible language that makes the book ideal for classroom use

**Henry L. Brunk and Brunk's Comedians** Jerry L. Martin,1984 Tent repertoire theatre as a form of popular entertainment caught on in the late 19th

century had its heyday in the 1920s and was finished by the Depression and World War II gasoline rationing The author examines this rise and fall in context of an increasingly urbanized society Conjuring Science Sofie Lachapelle,2015-10-07

Conjuring Science explores the history of magic shows and scientific entertainment It follows the frictions and connections of magic and science as they occurred in the world of popular entertainment in France from the mid eighteenth to the early twentieth century It situates conjurers within the broader culture of science and argues that stage magic formed an important popular conduit for science and scientific enthusiasm during this period From the scientific recreations of the fairs to the grand illusions of the theatre stage and the development of early cinema conjurers used and were inspired by scientific and technological innovations to create illusions provoke a sense of wonder and often even instruct their audience In their hands science took on many meanings and served different purposes it was a set of pleasant facts and recreational demonstrations upon which to draw it was the knowledge presented in various scientific lectures accompanied by optical projections at magic shows it was the techniques necessary to create illusions and effects on stage and later on at the cinema and it was a way to separate conjuring from the deceit of mediums mystical showmen and quacks in order to gain a better standing within an increasingly scientifically minded society Net of Magic Lee Siegel,1991-06-11 Scholar and magician Siegel uncovers the age old practices of magic in sacred rites and rituals and unveils the contemporary world of Indian magic of street and stage entertainers Siegel s journeys take him from ancient Sanskrit texts to the slums of New Dehli as he explores India s remarkable magical tradition Publisher s description **Street Magic** Edward Claflin,Jeff Sheridan,1977 STREET MAGIC is a romantic history of the world s most elusive conjurers the itinerant magicians who from ancient times to the present have made the world their stage Here are tales of the tribal shamans of North America of Hindu fakirs and oriental illusionists medieval mountebanks European street jugglers fairground hucksters charlatans mediums and mystics Also included are lively accounts of some of the legendary stage magicians who performed street magic as well Robert Houdin Comte Herrmann and Houdini and a portrait of Jeff Sheridan who today is one of the most popular performers in New York s Central Park Illustrated with 133 photographs paintings etchings and engravings STREET MAGIC conjures up all the mystery and entertainment of the magical arts Back cover **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1979 *Hey Presto!* Hugh Ormsby-Lennon,2011-01-16 In Hey Presto Swift and the Quacks Hugh Ormsby Lennon reveals how medicine shows both ancient and modern galvanized Jonathan Swift s imagination and inspired his wittiest satiric voices Swift dubbed these multifaceted traveling entertainments his Stage itinerant or Mountebank s Stage In the course of arguing that the stage itinerant formed an irresistible model for A Tale of a Tub Ormsby Lennon also surmises that the mountebank s stage will disclose that missing link long sought which connects the dual objects of Swift s ire gross Corruptions in both Religion and Learning The Greenwood Guide to American Popular Culture: Jazz through Propaganda M. Thomas Inge,Dennis Hall,2002 **Handbook of American Popular Culture** M. Thomas Inge,1978 Library

has Volumes 1 and 2     ARTIST OUTSIDER HALL MICHAEL D,E. W.
