Street Games Inside Stories Of The Wall Street Hustle:

Street Games Alan B. Lechner,1980 **Selling Women Short** Louise Marie Roth,2011-06-27

Rocked by a flurry of high profile sex discrimination lawsuits in the 1990s Wall Street was supposed to have cleaned up its act It hasn't Selling Women Short is a powerful new indictment of how America's financial capital has swept enduring discriminatory practices under the rug Wall Street is supposed to be a citadel of pure economics paying for performance and evaluating performance objectively People with similar qualifications and performance should receive similar pay regardless of gender They don't Comparing the experiences of men and women who began their careers on Wall Street in the late 1990s Louise Roth finds not only that women earn an average of 29 percent less but also that they are shunted into less lucrative career paths are not promoted and are denied the best clients Selling Women Short reveals the subtle structural discrimination that occurs when the unconscious biases of managers coworkers and clients influence performance evaluations work distribution and pay In their own words Wall Street workers describe how factors such as the preference to associate with those of the same gender contribute to systematic inequality Revealing how the very systems that Wall Street established ostensibly to combat discrimination promote inequality Selling Women Short closes with Roth's frank advice on how to tackle the problem from introducing more tangible performance criteria to curbing gender stereotypical client entertaining activities Above all firms could stop pretending that market forces lead to fair and unbiased outcomes They don't *Executive MBA (EMBA) - City of London College of Economics - 10 months - 100% online / self-paced* City of London College of Economics, Overview An EMBA or Master of Business Administration in General Management is a degree that will prepare you for management positions Content Strategy Organisational Behaviour Operations Management Negotiations Marketing Leadership Financial Accounting Economics Decision Models Data Analysis Corporate Finance Duration 10 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we'll send you the assignment questions Study material The study material will be provided in separate files by email download link [MBA in Finance - City of London College of Economics - 10 months - 100% online / self-paced](#) City of London College of Economics, Overview You will be taught all skills and knowledge you need to become a finance manager respectfully investment analyst portfolio manager Content Financial Management Investment Analysis and Portfolio Management Management Accounting Islamic Banking and Finance Investment Risk Management Investment Banking and Opportunities in China International Finance and Accounting Institutional Banking for Emerging Markets Corporate Finance Banking Duration 10 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we'll send you the assignment questions Study material The study material will be provided in separate files by email download link **Islamic Banking and Finance** Munawar Iqbal,David T. Llewellyn,2002-01-01 It is a well known fact that conventional commercial banks provide financial intermediation services on

the basis of interest rates on assets and liabilities However since interest is prohibited in Islam Islamic banks have developed several other modes through which savings are mobilized and passed on to entrepreneurs none of which involve interest

Islamic Banking and Finance discusses Islamic financial theory and practice and focuses on the opportunities offered by Islamic finance as an alternative method of financial intermediation Key features of profit sharing as opposed to debt based contracts are highlighted and the ways in which they can facilitate improved efficiency and stability of a financial system are explored The authors illustrate that in addition to some 200 Islamic banks operating in Muslim as well as non Muslim countries some of the biggest multinational banks are now offering Islamic financial products This book will fascinate students researchers and academics with a special interest in comparative banking middle eastern studies and international finance and will also appeal to practitioners of banking and finance

Morality and Justice in Islamic Economics and Finance Muhammad Umer Chapra,2014-09-26 Mankind is faced with a number of serious problems that demand an effective solution The prevalence of injustice and the frequency of financial crises are two of the most serious of these problems Consisting of an in depth introduction along with a

Handbook of Islamic Banking Kabir Hassan,Mervyn Lewis,2009-01-01 The Handbook of Islamic Banking comprises 25 studies by leading international experts on Islamic banking and finance specially commissioned to analyse the various debates and the current state of play in the field From its origins thirty years ago Islamic banking has expanded rapidly to become a distinctive and fast growing segment of the international banking and capital markets Despite this expansion Islamic banking still remains poorly understood in many parts of the Muslim world and continues to be a mystery in much of the West This comprehensive Handbook provides a succinct analysis of the workings of Islamic banking and finance accessible to a wide range of readers At the same time it seeks to bring the current research agenda and the main issues on Islamic banking before a wider audience Islamic banking offers as an alternative to conventional interest based financing methods a wide variety of financial instruments and investment vehicles based on profit and loss sharing arrangements These are all explored in detail along with other subjects such as governance and risk management securities and investment structured financing accounting and regulation economic development and globalization M Kabir Hassan Mervyn Lewis and the other contributors have created an authoritative and original reference work which will contribute to a wider understanding of Islamic banking as well as provoking further discussion and research It will be invaluable to all scholars researchers and policymakers with an interest in this subject
